Australian

markets. On this basis, the book makes the case for regulatory intervention, based on three different pillars and comprising disclosure, voting right suspension, and ex-post litigation. The book concludes by developing a concrete, comprehensive proposal on how to address the regulatory problem.

Read Book

Australian

Overall, this book

contributes to the debate
about activist

investment and the role
of shareholders in
corporate governance.

At the same time it
raises a number of
important considerations
about the role of equity
investment more
generally.
