"A record heat wave suffocates remote rural Wisconsin as the local sheriff tracks down a killer hidden in the depths of the community in this atmospheric, race-to-the-finish mystery"--

Were-Hunter Fang Kattalakis is forced to choose sides when war erupts among his lycanthrope brethren, a situation that is further complicated by accusations targeting a woman he loves and threats on two races.

Rightly called the saddest story in rock 'n' roll history, this Creedence biography--newly updated with stories from band members, producers, business associates, close friends, and families--recounts the tragic and triumphant tale of one of America's most beloved bands. Hailed as the great American rock band from 1968 to 1971, Creedence Clearwater Revival captured the imaginations of a generation with classic hits like "Proud Mary," "Down on the Corner," "Green River," "Born on the Bayou," and "Who'll Stop the Rain." Mounting tensions among bandmates over vibrant guitarist and lead vocalist John

Fogerty's creative control led to the band's demise. Tracing the lives of four musicians who redefined an American roots-rock sound with unequaled passion and power, this music biography exposes the bitter end and abandoned talent of a band left crippled by debt and dissension.

Ed Morrison's brother, Michael, and his spunky girlfriend, Debra Means, never made it home from the Mascoutah Community High School prom held on May 3, 1969. Two days later, their bodies were discovered near an abandoned strip mine on the outskirts of town. Dennis Lehane meets Megan Miranda in this "dark beauty of a novel" (William Kent Krueger, New York Times bestselling author) about the first female sheriff in rural Bad Axe County, Wisconsin, as she searches for a missing girl, battles local drug dealers, and seeks the truth about the death of her parents twenty years ago—all as a winter storm rages in her embattled community. Fifteen years ago, Heidi White's parents were shot to death on their Bad Axe County farm. The police declared it a murder-suicide and closed the case. But that night, Heidi found the one clue she knew could lead to the truth—if only the investigators would listen. Now Heidi White is Heidi Kick,

wife of local baseball legend Harley Kick and mother of three small children. She's also the interim sheriff in Bad Axe. Half the county wants Heidi elected but the other half will do anything to keep her out of law enforcement. And as a deadly ice storm makes its way to Bad Axe, tensions rise and long-buried secrets climb to the surface. As freezing rain washes out roads and rivers flood their banks, Heidi finds herself on the trail of a missing teenaged girl. Clues lead her down twisted paths to backwoods stag parties, derelict dairy farms, and the local salvage yard—where the body of a different teenage girl has been carefully hidden for a decade. As the storm rages on, Heidi realizes that someone is planting clues for her to find, leading her to some unpleasant truths that point to the local baseball team and a legendary game her husband pitched years ago. With a murder to solve, a missing girl to save, and a monster to bring to justice, Heidi is on the cusp of shaking her community to its core—and finding out what really happened the night her parents died. With “striking prose, engaging characters, and a searing story of crimes rooted in the heartland,” Bad Axe County is a “darkly irresistible thriller” (Kirkus Reviews, starred review) that you won't be able to put down.
