The bar business demands she be eager to please while it holds her responsible for maintaining control of a potentially chaotic, even dangerous environment. She must be both master and servant to earn her living, yet the two roles are wary bedfellows. The highly anticipated complement to the New York Times bestselling Momofuku cookbook, Momofuku Milk Bar reveals the recipes for the innovative, addictive cookies, pies, cakes, ice creams, and more from the wildly popular Milk Bar bakery. Momofuku Milk Bar shares the recipes for Christina Tosi’s fantastic desserts—the now-legendary riffs on childhood flavors and down-home classics (all essentially derived from ten mother recipes)—along with the compelling narrative of the unlikely beginnings of this quirky bakery’s success. It all started one day when Momofuku founder David Chang asked Christina to make a dessert for dinner that night. Just like that, the pastry program at Momofuku began. Christina’s playful desserts, including the compost cookie, a chunky chocolate-chip cookie studded with crunchy salty pretzels and coffee grounds; the crack pie, a sugary-buttery confection as craveable as the name implies; the cereal milk ice cream, made from everyone’s favorite part of a nutritious breakfast—the milk at the bottom of a bowl of cereal; and the easy layer cakes that forgo fancy frosting in favor of unfinished edges that hint at the yumminess inside helped the restaurants earn praise from the New York Times and the Michelin Guide and led to the opening of Milk Bar, which now draws fans from around the country and the world. With all the recipes for the bakery’s most beloved desserts—along with ones for savory baked goods that take a page from Chang’s Asian-flavored cuisine, such as Kimchi Croissants with Blue Cheese—and 100 color photographs, Momofuku Milk Bar makes baking irresistible off-beat treats at home both foolproof and fun.

#1 New York Times bestselling author John Grisham’s newest legal thriller takes you inside a law firm that’s on shaky ground. “[A] buoyant, mischievous thriller . . . Grisham writes in such an inventive spirit. . . . A treat.”—Janet Maslin, The New York Times Mark, Todd, and Zola came to law school to change the world, to make it a better place. But now, as third-year students, these close friends realize they have been duped. They all borrowed heavily to attend a third-tier for-profit law school so mediocre that its graduates rarely pass the bar exam, let alone get good jobs. And when they learn that their school is one of a chain owned by a shady New York hedge-fund operator who also happens to own a bank specializing in student loans, the three know they have been caught up in The Great Law School Scam. But maybe there’s a way out. Maybe there’s a way to escape their crushing debt, expose the bank and the scam, and make a few bucks in the process. But to do so, they would first have to quit school. And leaving law school a few short months before graduation would be completely crazy, right? Well, yes and no . . . Pull up a stool, grab a cold one, and get ready to spend some time at The Rooster Bar. “Satisfying . . . Grisham [is] at his best when he brings his sardonic sense of humor to the sometimes questionable ethics of law and banking.”—USA Today “[A] smartly told tale . . . gratifying and all-too-real.”—The Washington Post
