The Sac County Quilt-A-Fair evolved from the barn quilt project. The first quilt show was held in 2007, with just over 1000 visitors. The show was so successful that the area quilters decided to hold the show on a biennial basis.

Barn Quilts of Sac County Iowa

Barn Quilts: The Beginning Barn Quilts Started with Donna Sue Groves in 2001. Contrary to common myth, Donna Sue was not a renown Amish quilter from generations past, but a contemporary quilter in Adams County, Ohio. Donna Sue, being the sweetheart she was, wanted to create a project to honor her mother, Maxine, and her Appalachian heritage.

Barn Quilts: A Beautiful Story from our Recent Past - Suzy ...

Created by members of The Rio Linda Elverta Quilt Trail Project, the quilts are currently hung near Sacramento County 's Dry Creek Parkway at Depot Park and other spots in Rio Linda. The Rio Linda Elverta Quilt Project first began when founder Debra Crowe and her husband were hunting in Nebraska and a barn quilt trail caught her eye.

### The Barn Quilt Trail in Rio Linda - SacCounty News

Since a sheet of plywood is 4 ' x 8 ' , the Columbia County barn quilts are primarily 8 feet square, which is a nice size for most barns. For an 8-foot barn quilt, volunteers design a 3-inch border around the outside edge of the quilt. This leaves 7.5 feet for the quilt pattern itself.

This book showcases historic farm buildings, the beautiful barn quilts, and agricultural richness of Sac County, Iowa.

The story of the American Quilt Trail, featuring the colorful patterns of quilt squares painted large on barns throughout North America, is the story of one of the fastest-growing grassroots public arts movements in the United States and Canada. In Barn Quilts and the American Quilt Trail Movement Suzi Parron takes us to twenty-five states as well as Canada to visit the people and places that have put this movement on America ' s tourist and folk art map. Through dozens of interviews with barn quilt artists, committee members, and barn owners, Parron documents a journey that began in 2001 with the founder of the

movement, Donna Sue Groves. Groves' s desire to honor her mother with a quilt square painted on their barn became a group effort that eventually grew into a county-wide project. Today, quilt squares form a long imaginary clothesline, appearing on more than three thousand barns scattered along one hundred and twenty driving trails. With more than eighty full-color photographs, Parron documents here a movement that combines rural economic development with an American folk art phenomenon.

Features recommendations for dining, lodging, transportation, shopping, recreational activities, landmarks, and cultural opportunities.

The Tall Corn State's agricultural history influences countless aspects of modern life. To truly understand Iowa, you have to understand the culture of agriculture--the stories of the people of the land. In many ways, these are untold stories, especially as more generations of families are further removed from living or working on Iowa farms. Visitors from around the globe travel to Iowa annually for major events like the Farm Progress Show, the World Pork Expo and the World Food Prize. Agriculture has shaped Iowa's landscape from the location of towns and the evolution of the world-famous Iowa State Fair to Iowa's beloved culinary traditions like breaded pork tenderloins, sweet corn and more. Join fifth-generation Iowa farmer Darcy Dougherty Maulsby as she details the fascinating history of agriculture in Iowa.

Iowa Off the Beaten Path features the things travelers and locals want to see and experience – –if only they knew about them. From the best in local dining to quirky cultural tidbits to hidden attractions, unique finds, and unusual locales, Iowa Off the Beaten Path takes the reader down the road less traveled and reveals a side of Iowa that other guidebooks just don't offer.

The heart of every working farm and ranch, the barn is an icon of rural America. This book chronicles – and celebrates – all the main types, and looks at how these treasures of early American architecture developed. It explains how a wealth of immigrant construction methods and range of environments and climates resulted in a fascinating variety of barn styles in the United States, from the earliest rare Dutch examples to simpler English types and others in more surprising shapes (round or even polygonal) crafted by the Shakers in the 1800s. It highlights the most notable, famous and historic barns that the reader can visit, and features the efforts of conservation groups to preserve America's barns and find innovative ways to repurpose these glorious old structures as homes and studios – and as living monuments of rural heritage.

Suzi Parron, in cooperation with Donna Sue Groves, documented the massive public art project known as the barn quilt trail in

her 2012 book *Barn Quilts and the American Quilt Trail Movement*. The first of these projects began in 2001, when Groves and community members created a series of twenty painted quilt squares in Adams County, Ohio. Since then, barn quilts have spread throughout forty-eight states and several Canadian provinces. In *Following the Barn Quilt Trail*, Parron brings readers along as she, her new love, Glen, their dog Gracie, and their converted bus Ruby, leave the stationary life behind. Suzi and Glen follow the barn quilt trail through thirty states across thirteen thousand miles as Suzi collects the stories behind the brightly painted squares. With plentiful color photographs, this endearing hybrid of memoir and travelogue is for quilt lovers, Americana and folk art enthusiasts, or anyone up for a good story.
