With Robin dead at the hands of the Joker, Batman must try to move on from his loss and return to being a lone crime fighter.

"The death that changed Batman forever is captured in this chilling hardcover edition that hasn't been released in a decade! In 1988 Batman readers were allowed to vote on the outcome of the story... and they decided that Robin should die! Jim Starlin's devastating graphic novel classic left shock waves throughout the comic book industry, many of which are still felt today! As the second person to assume the role of Batman's sidekick, Jason Todd had a completely different personality than the original Robin. Rash and prone to ignore Batman's instructions, Jason was always quick to act without regard for consequences. In this fatal instance, Robin ignores his mentor's warnings when he attempts to take on The Joker by himself, and pays the ultimate price. Driven by anger, with Superman by his side, Batman seeks his vengeance as he looks to end The Joker's threat forever. This tale of loss, guilt and brutality is considered one of the most defining pieces in the Dark Knight's mythology."-

When Jason Todd - the wilful, disobedient teenager who inherited the mantle of Robin - ignores his mentor's advice and goes after the Joker alone, he pays the ultimate price! Now the Caped Crusader is hunting his nemesis once more, with Superman at his side, but this time it might well be a fight to the death!

A classic Batman adventure from best-selling writer Greg Rucka (LAZARUS) and artist Klaus Janson (DAREDEVIL, THE DARK KNIGHT RETURNS) is collected here in a new edition of BATMAN: DEATH & THE MAIDENS. A miniseries that pits Batman against one of his greatest foes: Ra's al Ghul! After centuries, time has caught up with al Ghul, and only his greatest enemy can save him! Can these longtime enemies become allies? It's the ultimate story of morality and mortality when a dying Ra's al Ghul has no choice but to beg Batman for help to find a Lazarus Pit. In exchange, he offers the Dark Knight the chance of a lifetime: the ability to speak with his dead parents. But what Batman's parents have to say to him will profoundly affect both the man and the hero. From award-winning author Greg Rucka (BATWOMAN, WONDER WOMAN) and Klaus Janson (BATMAN: THE DARK KNIGHT RETURNS, Daredevil), BATMAN: DEATH AND THE MAIDENS tells the gripping story of the final days of Ra's al Ghul. The thrilling miniseries is collected in BATMAN: DEATH AND THE MAIDENS #1-9.

The fate of the second Robin, a.k.a. Jason Todd, is determined in Ethiopia where Jason travels to find his biological mother, Sheila Haywood.

Ras Al Ghul is dying, and he asks Batman to help him prolong his life in exchange for allowing the Dark Knight to see his parents again, while Ras' daughter, Nyssa, works to destroy her father once and for all.

RAIS AL GHUL IS DYING From award-winning author Greg Rucka (BATWOMAN, WONDER WOMAN) and comics legend Klaus Janson (BATMAN: THE DARK KNIGHT RETURNS, Daredevil), BATMAN: DEATH AND THE MAIDENS: THE DELUXE EDITION tells the gripping story of the final days of Ra's al Ghul. Ra's al Ghul has lived for hundreds of years, but he is not immortal. Without access to his life-giving Lazarus Pit, death will come to the Demons Head just as it would anyone else. Ra's knows his days are numbered, but his lifels work is far from complete. Time and again the Dark Knight has thwarted him, but now, in his final days, Ra's must turn to the Batman for help. In exchange for his aid, Ra's offers Batman the opportunity of a lifetime-the chance to speak with his dead parents. But the reunion is not what Batman imagined, and what Martha and Thomas Wayne have to say to their son will profoundly change both the man and the hero. This volume includes the complete nine-issue miniseries and prologue story as well as behind-the-scenes sketches and commentary.

Seeking revenge for having his face sliced off a year ago, the Joker returns to Gotham and everyone, including Batman, Catwoman, and Harley Quinn, is at risk.

Even for a man who's committed a lifetime of murder, the Joker is more dangerous than ever before. A more vicious Clown Prince of Crime targets Batman's family-Batgirl, Nightwing, Red Hood, Red Robin and his own son, Damian Wayne, a.k.a. Robin-in a sick and twisted gambit to make the Dark Knight all his own! How can Batman protect his city and those he's closest to? It all leads back to Arkham Asylum... This new DC Essential Edition from #1 New York Times best-selling team of writer Scott Snyder and artist Greg Capullo presents the critically acclaimed tale in its entirety, with material from Batman Vol. 3- Death of the Family. Collects Batman #13-17. The DC Essential Edition series of graphic novels highlights the best standalone stories the medium has to offer, featuring comics' greatest characters. These trade paperback editions focus on the easiest entry points DC has in its vast library, with seminal, groundbreaking tales that transcend the printed page. Start with the Essentials.

As Gotham City undergoes a massive architectural boom, a series of unexplained construction accidents begin to cause casualties across the city and it is up to Batman to discover who is behind the string of catastrophes.
