The Enlightenment-era library pays tribute to them inside with a small exhibition: In a glass case rest the taxidermized remains of three different bats. The library—considered among Europe's most important, with its 36,000 books and ancient manuscripts, including the 1493 Nuremberg Chronicle and scores from musicians such as João de Sousa Carvalho—is itself impressive to behold. Laid out on a cross-shaped footprint, the rococo-style main room is lined from end to end with ornate ...

Sound Library. BCT has created an online bat sound library which features bat calls recorded from tuneable heterodyne detectors. It is an ongoing project which aims to provide recordings of all UK bat species, illustrating the differences and similarities between different species' calls and how they vary in different habitats. It's a great way to brush up on your ID skills and to help train your ear for species counted in the NBMP surveys.

The Caldecott Honor winner and New York Times bestselling author of *Bats at the Beach* “pays homage to the pleasures to be found within libraries and books” (*School Library Journal*). Another inky evening’s here—the air is cool and calm and clear. Can it be true? Oh, can it be? Yes!—*Bat Night at the library!* Join the free-for-all fun at the public library with these book-loving bats! Shape shadows on walls, frolic in the water fountain, and roam the book-filled halls until it’s time for everyone, young and old, to settle down into the enchantment of story time. Brian Lies’s joyful critters and their nocturnal celebration cast library visits in a new light. Even the youngest of readers will want to join the batty book-fest! “As with its predecessor, this book’s richly detailed chiaroscuro paintings find considerable humor at the intersection where bat and human behavior meet. But the author/artist outdoes himself: the library-after-dark setting works a magic all its own, taking Lies and his audience to a an intensely personal place.”—*Publishers Weekly* (starred review) “The rhymed narrative serves primarily as the vehicle for the appealing acrylic illustrations that teem with bats so charming they will even win over chiroptophobes.”—*Booklist* “There is enough merriness here to keep the story bubbling . . . Pictures light-handedly capture the Cheshire Bat, Winnie the Bat and Little Red Riding Bat.”—*Kirkus Reviews*

"Archetypes of the cowboy story, tropes drawn from sci-fi, love letters, diaries, confessions all abound in this relentlessly engaging tale. Dodson has quite brilliantly exposed the gears and cogs whirring in the novelist's imagination. It is a mad and beautiful thing." --Keith Donohue, The Washington Post Winner of Best of Region for the Southwest in PRINT's 2016 Regional Design Awards *Bats of the Republic* is an illuminated novel of adventure, featuring hand-drawn maps and natural history illustrations, subversive pamphlets and science-fictional diagrams, and even a nineteenth-century novel-within-a-novel—an intrigue wrapped in innovative design. In 1843, fragile naturalist Zadock Thomas must leave his beloved in Chicago to deliver a secret letter to an infamous general on the front lines of the war over Texas. The fate of the volatile republic, along with Zadock's future, depends on his mission. When a cloud of bats leads him off the trail, he happens upon something impossible... Three hundred years later, the world has collapsed and the remnants of humanity cling to a

strange society of paranoia. Zeke Thomas has inherited a sealed envelope from his grandfather, an esteemed senator. When that letter goes missing, Zeke engages a fomenting rebellion that could free him—if it doesn't destroy his relationship, his family legacy, and the entire republic first. As their stories overlap and history itself begins to unravel, a war in time erupts between a lost civilization, a forgotten future, and the chaos of the wild. *Bats of the Republic* is a masterful novel of adventure and science fiction, of elliptical history and dystopian struggle, and, at its riveting core, of love.
