When children are kind, courteous, and respectful, people enjoy being around them and reciprocate with the same behavior. Use this English-Spanish bilingual book to teach manners and help young children understand the importance of showing politeness, speaking kindly, using basic courtesies ( " please, " " thank you, " " excuse me " ), and respecting the feelings of others. A section at the back of the book, in both English and Spanish, provides questions for discussion, scenarios, and role-play activities to help adults reinforce the book ' s lessons and teach children social skills. Learning to Get Along® Bilingual Editions Now children and adults can enjoy our most popular Learning to Get Along books in English and Spanish. Children will learn, understand, and practice basic social and emotional skills. Real-life scenarios, lots of diversity, and captivating illustrations make these read-aloud books perfect for home and child care settings, as well as schools and special education. These bilingual editions provide the complete text from the original books, including discussion and activity guides for adults, in both languages.

Now for Mac and Windows. Praised by parents, embraced by educators, this early childhood development book series teaches young children how to deal with their emotions, make positive choices, solve problems, resolve conflicts, resist impulsive behavior, form relationships, work cooperatively, and more. Now all 15 of the Learning to Get Along series are available in one kid-friendly software package. Teachers can choose which books to make available to each child, manage audio features, and track students' progress. Children follow along or read on their own, using a special highlight feature to click and hear word definitions. A sequence of questions follows each book; test results are stored for teacher review in individual student files. Designed for classroom use, yet equally useful at home. User's Guide included. Developed in association with Attainment Company. Software disc, Windows XP or higher, Mac OS 10.5 or higher, Intel processor, touch-screen and single-switch compatible.

This is a concise and user – friendly book for learning polite spoken Japanese or written Japanese. Respect language—the special style of polite spoken or written Japanese—is involved almost every exchange of Japanese between one person and another, including the simplest phrases of greeting. An understanding of its forms is therefore essential to any serious student of the Japanese language. This programmed course is carefully designed to teach the basic and correct forms which the learner should master for his or her own use, by first looking at the various typical situations to see when respect should and should not be shown in Japanese, and then going on to see how respect is expressed in special forms of speech. In this way, the learner is shown how to identify the type of respect for used, the person to whom respect is being shown, and the equivalent form in colloquial language. The insights into both Japanese culture and language will help any student or businessperson traveling to Japan or speaking Japanese on a regular basis. Understand which situations require respect language. Identify the most suitable grammar, honorifics, and more for a wide range of situations. Self – tests to help you master what you learn. Valuable quick – reference appendices.

A thoughtful picture book illustrating the power of small acts of kindness, from the award-winning author of Sophie's Squash.

Gives examples of children who use good manners at school, including those that are punctual, give their full attention to the teacher at all times, and clean up after themselves.

This funny, charming story is the perfect way to introduce young children to being polite, and help them understand the importance of using nice manners. Also included are suggestions for activities and ideas to talk through together to help children fully understand how their behaviour can impact on others. Rhino does not have very nice manners, especially at the dinner table. But soon no one wants to sit near him at lunch time and he even misses out on tea at his friend's house. It is time for Rhino to bring out his very best manners! The Behaviour Matters series of picture books provide a gentle means of discussing emotions, boosting self-esteem and reinforcing good behaviour. Supports the Personal, Social and Emotional Development Area of Learning in the Early Years Foundation Stage, and is also suitable for use with children in KS1 and can be used to discuss values. Suitable for children under 5.

Be Kind And Polite Buying flowers for your mother, helping someone cross the street are all good manners. Learn more about such acts of kindness through this book.

Michael Allen's e-Learning Library Most e-learning that is produced for classroom training is created using instructional models that were introduced more than thirty years ago. To update design solutions for today's online learners, Michael Allen's e- Learning Library offers a review of the basics of instructional design and then lifts the lid on some common misconceptions that arise from what people think they know about ISD. Michael Allen's e- Learning Library is designed to help use time and resources effectively and to build the best e-learning experiences possible. Filled with illustrative examples, the book is pragmatic and contains easy-to-apply solutions. Successful e-Learning Interface is the third book in the Michael Allen's e-Learning Library series. Using this hands-on resource will maximize your CEO impact—connect, empower, and orchestrate. You will understand how to connect with your learners, how to empower learners to make the most of e-learning's capabilities, and how to orchestrate learning events. Praise for Michael Allen's e-Learning Library "Once again Michael Allen has zeroed in on a critical, yet often overlooked, aspect of e-learning development. This book sheds light on the importance of learner interface design, and offers readers clear guidelines for designing interfaces that support the learner and increase impact. It will be a valuable asset for any e-learning developer who is committed to producing truly world-class e-learning." —David Holcombe, president and CEO, The eLearning Guild and publisher, Learning Solutions Magazine "With this easy-to-apply and practical book, Michael Allen raises the bar on creating exceptional e-learning experiences." —Lance Dublin, CEO and chief solution architect, Dublin Consulting "Michael Allen continues to be a strong voice in the e-learning industry. The topics addressed in this book are especially timely, helping the creators of training appeal to a new generation of learners while addressing the concerns of more mature learning audiences." —Jennifer Hofmann, president, InSync Training and author, The Synchronous Trainer's Survival Guide and Tailored Learning: Designing The Blend That Fits
