Little Learning Labs: Unofficial Minecraft for Kids--an abridged edition of Unofficial Minecraft Lab for Kids--offers a variety of creative exercises that explore the game through fun, educational lessons. Activities selected from an Amazon Best Kids' Books of 2016 pick! Balancing your child's screen time can be difficult, especially when it comes to wildly popular, open-ended video games like Minecraft. Minecraft offers players an environment focused on exploration, imagination, and creation, but its nonlinear game structure can mean spending a lot of time in the game. You will start the book by brushing up on some common Minecraft terminology and examining the two main modes of game play: creative and survival. You'll then use this knowledge to venture off onto the six different quests that combine out-of-game and in-game activities and encourage child and adult participation. You'll even learn how to screencast and narrate your own videos to share with family and friends. Little Learning Labs: Unofficial Minecraft for Kids provides fun, educational gaming goals that you and your child can reach together!

The Big Book of Beading Patterns is the go-to compendium of patterns for all types of stitchers. Many pattern books focus solely on loomwork, but this book also includes popular stitches like peyote, brick, and square stitch in addition to loomwork. The gorgeous patterns here can be used to make beaded bracelets, amulets, tapestries, and more. Patterns are divided into chapters by topics like animals, flowers, holidays, and more. The best of Bead&Button's patterns are showcased in this exciting compilation.

Bring the quirky world of pixel art to life with fusible craft beads. Colorful, inexpensive beads from Perler®, Hama®, Nabbi®, or Artkal® are perfect for recreating the retro 8-bit era of blocky video games. Making trendy pixelated wearables, jewelry, and home décor is as simple as following a chart, and your finished creations will look as if they just stepped off a screen. Inside this book you'll find over 50 super fun design ideas for digital-inspired jewelry, coasters, frames, boxes, toys, and more. You'll learn all the basics of assembling and fusing beads, with tips on tools, pegboards, and adhesives. No crafting experience is necessary, with clear directions and step-by-step photos that make it easy to get great results.
