Beautiful Souls NPR coverage of Beautiful Souls: Saying No, Breaking Ranks, and Heeding the Voice of Conscience in Dark Times by Eyal Press. News, author interviews, critics' picks and more.

On the Swiss border with Austria in 1938, a police captain refuses to enforce a law barring Jewish refugees from entering his country. In the Balkans half a century later, a Serb from the war-blasted city of Vukovar defies his superiors in order to save the lives of Croats. At the height of the Second Intifada, a member of Israel's most elite military unit informs his commander he doesn't want to serve in the occupied territories. Fifty years after Hannah Arendt examined the dynamics of conformity in her seminal account of the Eichmann trial, Beautiful Souls explores the flipside of the banality of evil, mapping out what impels ordinary people to defy the sway of authority and convention. Through the dramatic stories of unlikely resisters who feel the flicker of conscience when thrust into morally compromising situations, Eyal Press shows that the boldest acts of dissent are often carried out not by radicals seeking to overthrow the system but by true believers who cling with unusual fierceness to their convictions. Drawing on groundbreaking research by moral psychologists and neuroscientists, Beautiful Souls culminates with the story of a financial industry whistleblower who loses her job after refusing to sell a toxic product she rightly suspects is being misleadingly advertised. At a time of economic calamity and political unrest, this deeply reported work of narrative journalism examines the choices and dilemmas we all face when our principles collide with the loyalties we harbor and the duties we are expected to fulfill.

On October 23, 1998, Buffalo abortion provider Barnett Slepian was killed by a sniper's bullet fired through the kitchen window of his home. Days later, police informed another local doctor, Shalom Press, that they had received a threat warning that he wa

For seventeen-year-old Ashley St. Helens, senior year is an endless stressfest with no hope in sight. Since her parents' death, she's had to deal with her micro-managing step-monster and her two narcissist

step-sisters, whose fashion fetishes just make Ashley feel worse about her oversized feet. With dirty dishes and stinky laundry piling up at home, it seems that the Universe has deemed her the real-life Cinderella, especially since popular Jeff Prince has forgotten she exists. With help from her drag queen fairygodwhatever—and just the right shoes—Ashley finds her voice and fights back against the "perfect" materialistic life that traps her. But will her soulful transformation translate into the life she wants to have? Will she be able to escape to college, or will she have to give up on that dream? Post-modern, colorful, and quirky, Kristen Caven paints a relatable picture of teenage insecurities that will inspire readers to spark new conversations with their families about responsibility and empathy, morality and wastefulness, life choices, cross-dressing, and best of all, cleaning the house. A must-read for anyone who loves vintage footwear! This updated fourth edition includes bonus materials such as essays by the main characters and songs from the musical.

A groundbreaking, urgent report from the front lines of "dirty work"—the work that society considers essential but morally compromised. Drone pilots who carry out targeted assassinations. Undocumented immigrants who man the "kill floors" of industrial slaughterhouses. Guards who patrol the wards of the United States' most violent and abusive prisons. In *Dirty Work*, Eyal Press offers a paradigm-shifting view of the moral landscape of contemporary America through the stories of people who perform society's most ethically troubling jobs. As Press shows, we are increasingly shielded and distanced from an array of morally questionable activities that other, less privileged people perform in our name. The COVID-19 pandemic has drawn unprecedented attention to essential workers, and to the health and safety risks to which workers in prisons and slaughterhouses are exposed. But *Dirty Work* examines a less familiar set of occupational hazards: psychological and emotional hardships such as stigma, shame, PTSD, and moral injury. These burdens fall disproportionately on low-income workers, undocumented immigrants, women, and people of color. Illuminating the moving, sometimes harrowing stories of the people doing society's dirty work, and incisively examining the structures of power and complicity that shape their lives, Press reveals fundamental truths about the moral dimensions of work and the hidden costs of inequality in America.

AN INSTANT #1 NEW YORK TIMES BESTSELLER *Beautiful World, Where Are You* is a new novel by Sally Rooney, the bestselling author of *Normal People* and *Conversations with Friends*. Alice, a novelist, meets Felix, who works in a warehouse, and asks him if he'd like to travel to Rome with her. In Dublin, her best friend, Eileen, is getting over a breakup, and slips back into flirting with Simon, a man she has known since childhood. Alice, Felix, Eileen, and Simon are still young—but life is catching up with them. They desire each other, they delude each other, they get together, they break apart. They have sex, they worry about sex, they worry about their friendships and the world they live in.

Are they standing in the last lighted room before the darkness, bearing witness to something? Will they find a way to believe in a beautiful world?

The instant #1 New York Times bestseller! Once Upon a Broken Heart marks the launch of a new series from beloved author Stephanie Garber about love, curses, and the lengths that people will go to for happily ever after. For as long as she can remember, Evangeline Fox has believed in true love and happy endings...until she learns that the love of her life will marry another. Desperate to stop the wedding and to heal her wounded heart, Evangeline strikes a deal with the charismatic, but wicked, Prince of Hearts. In exchange for his help, he asks for three kisses, to be given at the time and place of his choosing. But after Evangeline's first promised kiss, she learns that bargaining with an immortal is a dangerous game – and that the Prince of Hearts wants far more from her than she'd pledged. He has plans for Evangeline, plans that will either end in the greatest happily ever after, or the most exquisite tragedy...

NATIONAL BESTSELLER • A stunning "portrait of the enduring grace of friendship" (NPR) about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. A NATIONAL BOOK AWARD FINALIST • A MAN BOOKER PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE A Little Life follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara's stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara's new novel, *To Paradise*, coming in January 2022.

THE INSTANT NEW YORK TIMES BESTSELLER FROM THE #1 NEW YORK TIMES BESTSELLING AUTHOR OF *PEOPLE WE MEET ON VACATION!* "Original, sparkling bright, and layered with feeling."--Sally Thorne, author of *The Hating Game* A romance writer who no longer believes in love and a literary writer stuck in a rut engage in a summer-long challenge that may just upend everything they believe about happily ever afters. Augustus Everett is an acclaimed author of literary fiction. January Andrews writes bestselling romance. When she pens a happily ever after, he kills off his entire cast. They're polar opposites. In fact, the only thing they have in common is that for the next three months, they're living in neighboring beach houses, broke, and bogged down with writer's block. Until, one hazy evening, one thing leads to another and they strike a deal designed to force them out of their creative ruts: Augustus will spend the summer writing something happy, and January will pen the next Great American Novel. She'll take him on

field trips worthy of any rom-com montage, and he'll take her to interview surviving members of a backwoods death cult (obviously). Everyone will finish a book and no one will fall in love. Really.

As Ruben Wells kneels with a gun pointed at his head all he can do is reflect on the life he spoiled. What has led him here? Was it his willingness to always try to do the right thing that has him staring at the barrel of a gun? Or was that he was too much of a people pleaser having a hard time saying no that has led to him begging for his life? Every thing begins and ends with a choice. The moment a choice is made it only takes a second for a life to change. Ruben made a choice to initiate a relationship with the alluring Bianca Jones. She makes heads turn and every man's dream. She is beautiful as a gazelle, but as dangerous as a lioness, as she's unavailable due to being unhappily married with children. Being married doesn't keep her from wanting to pursue Ruben as well as being pursued by him. Getting involved with Bianca changes Ruben's life in ways he never could have imagined. Choices are a gift constantly given to everyone. The choices made lead to different paths. We all have to choose this day what we're going to do with our own lives not knowing what the end result will be. What kind of impact will Ruben's choices have on his life?

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.
