Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Pages: 32. Chapters: 1111 Lincoln Road, 56 Leonard Street, Allianz Arena, Beijing National Stadium, CaixaForum Madrid, Caricature & Cartoon Museum Basel, Elbe Philharmonic Hall, Forum Building, Goetz Collection, Herzog & de Meuron, Laban Dance Centre, M. H. de Young Memorial Museum, Miami Art Museum, Parrish Art Museum, Portsmouth Dockland Stadium, St. Jakob-Park, Tate Modern, Unterlinden Museum, Walker Art Center. Excerpt: Tate Modern is a modern art gallery located in London, England. It is Britain's national gallery of international modern art and forms part of the Tate group (together with Tate Britain, Tate Liverpool, Tate St Ives and Tate Online). It is the most-visited modern art gallery in the world, with around 4.7 million visitors per year. It is based in the former Bankside Power Station, in the Bankside area of Central London. Tate holds the national collection of British art from 1500 to the present day and international modern and contemporary art. Main article Bankside Power StationThe galleries are housed in the former Bankside Power Station, which was originally designed by Sir Giles Gilbert Scott, the architect of Battersea Power Station, and built in two stages between 1947 and 1963. The power station closed in 1981. The building was converted by architects Herzog & de Meuron and contractors Carillion, after which it stood at 99m tall. The history of the site as well as information about the conversion was the basis for a 2008 documentary Architects Herzog and de Meuron: Alchemy of Building & Tate Modern. The southern third of the building was retained by the French power company EDF Energy as an electrical substation (in 2006, the company released half of this holding). A gallery at Tate Modern.The collections in Tate Modern consist of works of international modern and contemporary art dating from 1900 until today....
