Over to Big-John I wan-a tell you a story! which Describes a crisis situation that faced Mercedes-Benz in 1997. Mercedes entered the compact car segment by introducing a revolutionary new car the A-class. The A-class was positioned as an entry-level vehicle in the Mercedes line and represented Mercedes' attempt to grow beyond its core market.

Thomas Row (1754-1840) married Rachel Keeling and served in the Revolutionary War from 1776 to 1778. The family moved from King and Queen County to Orange County, Virginia in 1779, following an uncle (Ernest Row) who had already made such a move. Absalom "Abbie" Row (1868-1931) was a direct descendant in the fourth generation. Abbie was born in Culpeper County, Virginia, and married Annie Juliet Rosser in 1893 in Summers County, West Virginia. They moved to Arkansas and Texas, returning to the family plantation of Greenfield near Strasburg, Virginia, and later finally settling at Alexandria, Virginia. Descendants and relatives lived in Virginia, West Vir- ginia, Kentucky, Arkansas, Texas, Ohio, Indiana, Iowa and elsewhere. Includes many lines of ancestry (chiefly nobility) in England, France, Germany and elsewhere (supposedly back to about 1300 B.C.). Includes genealogical data about other Row-Rowe immigrants to Virginia and elsewhere.

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)
