One-Way Car Rental. Renting a car one way gives you the comfort of driving a new-model vehicle coupled with choosing what kind of car you will drive. Need lots of cargo space? Choose an SUV or minivan. Or ride in the lap of luxury by booking a luxury car from BMW or Mercedes-Benz.

Lemon-Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car-and-truck books on the market. U.S. automakers are suddenly awash in profits, and South Koreans and Europeans have gained market shares, while Honda, Nissan, and Toyota have curtailed production following the 2011 tsunami in Japan. Shortages of Japanese new cars and supplier disruptions will likely push used car prices through the roof well into 2012, so what should a savvy buyer do? The all-new Lemon-Aid Used Cars and Trucks 2012-2013 has the answers, including: More vehicles rated, with some redesigned models that don ' t perform as well as previous iterations downrated. More roof crash-worthiness ratings along with an expanded cross-border shopping guide. A revised summary of safety- and performance-related defects that are likely to affect rated models. More helpful websites listed in the appendix as well as an updated list of the best and worst "beaters" on the market. More "secret" warranties taken from automaker internal service bulletins and memos than ever.

Retirement is a time of opportunity. Without the routine demands of working life, new ambitions can be realized and experiences enjoyed. Yet with so much to consider, people are often unsure how best to plan for their future. Furthermore, with rising retirement ages, the closure of many final salary pension schemes, poor annuity rates and uncertainty regarding universal benefits, the scope for concern and confusion is even greater. The Good Retirement Guide is essential reading for all those looking forward to making the most of their retirement, and offers clear and concise suggestions and advice on a broad range of retirement-related subjects, including finance (investments, pensions, annuities, benefits and tax), housing, health, holidays, starting a business and looking after elderly parents.

Hundreds of new models and labor operations in the 2013 edition help you stay current with the latest technologies. In addition, Chilton's editors have split up larger model groups into smaller ones so that you can find vehicles quicker. The 2013 edition provides repair times for 23 years of imported and domestic vehicles. Chilton's editors consider warranty times, component locations, component type, the environment in which technicians' work, the training they receive, and the tools they use when calculating a labor time. To allow for vehicle age, operating conditions, and type of service, the Chilton 2013 Labor Guide provides standard and severe service times, plus OEM warranty times. Vehicle makes and models conform to current Automotive Aftermarket Industry Association (AAIA) standards.

Most young drivers have one goal in mind when they think of getting their own vehicle: freedom. Car ownership is one of life's joys as well as one of its major financial investments.
