from their parents, who appeared to be much older at the same age and saw retirement as the only reward for their years of work. With so many Americans living into their 90s, working past age 60 is increasingly common. Whether working for income or looking for meaningful work post retirement, job seekers face an employment market that has changed drastically in recent years.

A career guide that rethinks the golden years, this handbook offers 50+ income models for creating flexible, fulfilling, and profitable work during the encore stage of one's career. **RETHINK YOUR RETIREMENT** For many people, retirement is no longer a trifecta of golf, grandkids, and gardening—it's an opportunity for new pursuits that involve both earning income and exploring personal passions. If you're planning for retirement or already at "retirement age" but want to continue working—whether to supplement your income or to stay mentally and physically active—veteran career coach Nancy Collamer shows how to identify your favorite interests and expertise and repackage them into more than fifty ways to earn income. These second acts range from the traditional (part-time employment, consulting) to newer Internet-based options (teaching online, writing a blog). With a prescriptive approach to securing second-act careers that are flexible, fulfilling, and fun, this book offers a wide variety of income-generating examples as well as exercises to clarify your lifestyle goals and help you plan for your next move. **Second-Act Careers** shows how to create a profitable and meaningful semi-retirement on your own terms and in your own way.

The author of *The 2-Hour Job Search* shows you how to land your dream job, from writing the perfect resume and cover letter to nailing any interview and negotiating your offer. Steve Dalton's *2-Hour Job Search* simplified the process of finding work by utilizing technology, and now *The Job Closer* helps you seal the deal by applying his time-saving techniques to the surrounding steps. As a career consultant, Dalton has found that job seekers routinely overinvest in trivial aspects of the employment hunt while underestimating the important ones. In this guide, you'll learn how to avoid wasted effort and excel in all areas by using tools such as:

- The FIT Model, which helps job seekers nail the answer to "Tell me about yourself" using principles from the world of screenwriting
- The RAC Model, perfect for writing efficient cover letters and answering "Why this company or job?" in an interview
- The CAR Matrix, designed to help you craft compelling interview stories and deploy them in the most powerful way
- The Prenegotiation Call, which takes the awkwardness out of asking for more and turns your negotiator from an adversary into a partner
- And many more . . .

The Job Closer will leave you with more time for networking, making meaningful connections, and showcasing your unique talents, so your odds of success in landing the perfect job improve exponentially.
