Written for junior and senior undergraduates, this remarkably clear and accessible treatment covers set theory, the real number system, metric spaces, continuous functions, Riemann integration, multiple integrals, and more. 1968 edition.

Learn how to humanely slaughter cattle and butcher your own beef. In this straightforward guide, Adam Danforth provides clear instructions and step-by-step photography of the entire butchering process, from creating the right preslaughter conditions through killing, skinning, keeping cold, breaking the meat down, and perfecting expert cuts. With plenty of encouragement and expert advice on food safety, packaging, and necessary equipment, this comprehensive guide has all the information you need to start butchering your own beef.

Learn how Webers work and what to change for improved performance. Comprehensive chapters include carburetion basics and Weber carburetor design, selecting and installing correct Weber setup for your engine, tuning for maximum performance, and rebuilding Weber carburetors. Select, install and tune Weber sidedraft and downdraft carburetors for performance or economy. Also includes theory of operation and design, troubleshoot, and repair.

The winningest man in barbeacuse shares the secrets of his success. Rule number one? Keep it simple. In the world of competitive barbecue, nobody's won more prize money, more trophies, or more adulation than Myron Mixon. And he comes by it honestly: From the time he was old enough to stoke a pit, Mixon learned the art of barbecue at his father's side. He grew up to expand his parent's sauce business, Jack's Old South, and in the process became the leader of the winningest team in competitive barbecue. It's Mixon's combination of killer instinct and killer recipes that has led him to three world championships and more than 180 grand championships and made him the breakout star of TLC's BBQ Pitmasters. Now, for the first time, Mixon's stepping out from behind his rig to teach you how he does it. Rule number one: People always try to overthink barbecue and make it complicated. Don't do it! Mixon will show you how you can apply his "keep it simple" mantra in your own backyard. He'll take you to the front lines of barbecue and teach you how to turn out 'cue like a seasoned pro. You'll learn to cook like Mixon does when he's on the road competing and when he's at home, with great
