PROF CROFT A SERIES IN THE CROFTVERSE If Everson Croft sat beside you on the subway, you might notice his disheveled coat and burnt satchel, but you'd have no idea he was New York's hardest-working mage (or that his cat talked). Never properly trained, he's been learning on the job.

The year is 3048, Earth is no longer habitable, and man has fled to the stars where they've discovered the secret of immortality-Meridian. Unfortunately, the radioactive mineral is exorbitantly expensive and only available to a select few. A new class comprised of the super rich and immortal...

How did Everson Croft discover his powers? Let's go back to the night I turned thirteen, the night Grandpa filleted my finger with his cane sword. I can't say what terrified me more, the cold anger in his eyes or the crazy things in his locked study. A talking trunk. Squirming coats. A bookshelf whose titles shifted before my eyes. And one chilling title in particular: Book of Souls. Ten years later and I'm en route to a Romanian monastery, in search of that lost book. But I'm not the only one. Three others have beaten me to the local village: two researchers and... Well, I'm not sure who Flor is, other than Spanish, secretive, and sexier than a summer dress. Can I trust her - or any of them? I don't know, but we've got werewolves on our scent, not to mention an ancient curse hanging over the remote ruins. Getting there and back is going to require serious cooperation. Or serious magic. Book of Souls is a short prequel that can be read before or after Demon Moon (Prof Croft, Book 1)

ELITE SOLDIER TURNED WEREWOLF Cursed by a blind witch, Special Ops soldier Jason Wolfe finds himself transforming into a creature of local legend, a lupine referred to in fearful whispers as Blue Wolf. Faster, stronger, and more lethal, he's the perfect weapon - but not for the U.S. military. To break the curse, Jason must join a war between ancient tribal foes: blue werewolves and the formidable White Dragon. In a battle spanning from the peaks of Central Asia to the valleys of Manhattan, and with the help of a bookish wizard named Prof Croft, Jason will test the limits of his newfound powers. Because with the curse now spreading to his mind, he's running out of time - and the stakes couldn't be more personal. Win and he returns home to his fianc and a future. 'Cause sometimes luck ain't enough In the year since the Whisperer's attack, I've been busting my hump to become my best wizard, like my father. Now I'm ready for a test. When a dark mage starts planting infernal bags around New York City, I get my wish. Like time bombs, the bags detonate without warning, spawning demonic beings that rip the souls of innocents from their bodies. And the attacks are

accelerating. Meanwhile, a new wizard has come to town. A recent addition to the Order, Pierce is everything I'm not: refined, self-assured, and adept at magic. He even has Detective Vega blushing. If riling my resentment wasn't enough, he's trying to shoulder me out of my own case, stoking my suspicions. With the race to stop the dark mage growing more desperate by the minute, I need to prove that I'm the wizard to get it done - not Pierce. And without relying on my luck quotient. That saying about being careful what you wish for? It's there for a reason. BOOKS IN THE CROFTVERSE Blue Wolf Series Book 1: Blue Curse Book 2: Blue Shadow - More to come! Victims of the country's tyrannical leader? Or targets of a shadowy reptilian race rumored to lurk deep in the rainforest? How did Everson Croft end up with a talking cat? For that story, we have to go back to my early years as a wizard. With New York City in the dumps, the red light is back on in Times Square. Vampires, dark fae, and exotic entertainers have set up shop, promising pleasures beyond the wildest imagination. But now male clients are turning up stiff -- all over. I'm thinking supernatural predator, even as the clues keep drawing me back to Tabitha: a mysterious call girl who is one hundred percent mortal. I need to solve this case before the killer feeds again, but damn if I'm not sinking deeper into Tabitha's dangerous and tantalizing world. Which is exactly what she seems to want...
