A closeted werewolf and a dying vampire give in to desire and make an unusual and powerful connection. Lukas Blacque is a deeply closeted werewolf, and almost more than anything in life, he desires his neighbor, Oliver Bleu. Oliver is a vampire who is slowly dying from insomnia. More than anything, he needs Lukas Blacque and the rich blood that flows through his veins. On the day that Blacque makes an important commitment to his family and pack, he also succumbs to temptation and agrees to a passionate weekend with the alluring vampire. At sunset on Friday, it's all about urgent lust and the drive to lose his virginity. When the sun rises on Monday, lust has shifted to love and devotion. He's not sure he can walk away, even for the commitment he's made. He's even less sure Bleu will let him go. In Blacque's world, vampires and werewolves make uneasy bedfellows, and a gay werewolf is an impossibility. In Bleu's world, all living creatures are little more than vessels for food and sex. But in the mysterious and magical town of Arcada, the unexpected is always waiting right around the corner. Now Blacque and Bleu just need to survive long enough for Arcada's magic to work for them.

Captain Griffin Hawke has searched for his lost king and lover, Helios, for a decade, only to find him in the shackles of a whore with no memory of the past. Their people desperately need a leader, but Helios's return will draw dangerous enemies.

"What happens after a girl gets side-lined by her first heat cycle? She goes lookin' for trouble...and finds it." Marshal Annabelle "Cowgirl" Oakley is the best law enforcement officer in Interstellar Coalition Enforcement. With her wolf Tucker at her side, Belle is clearly the best man for the job. Unfortunately, the job comes with hazards, and one of those hazards comes in the shape of tall, mysterious Armand. Armand de le Croix is a werewolf with amnesia. He has no idea how he came to be living in Coalition space, he doesn't know where his people are, or why his inky black hair is now snowy white. He just knows that the tall, dangerous redhead is all that he wants, and he means to have her regardless of what he must do to win. "When they meet, it's magic. When they part, it's mayhem." "Publisher's Note: This book contains explicit sexual content, graphic language, and situations some readers may find objectionable: Anal play/intercourse, male/male sexual content, menage (m/m/f with m/m content), sex while in shifted form, violence."

The spellbinding classic that started it all, from the #1 New York Times bestselling author—the inspiration for the hit television series “A magnificent, compulsively readable thriller . . . Rice begins where Bram Stoker and the Hollywood versions leave off and penetrates directly to the true fascination of the myth—the education of the vampire.”—Chicago Tribune Here are the confessions of a vampire. Hypnotic, shocking, and chillingly sensual, this is a novel of mesmerizing beauty and astonishing force—a story of danger and flight, of love and loss, of suspense and resolution, and of the extraordinary power of the senses. It is a novel only Anne Rice could write.

"Three women, three Doms. One extraordinary night. Welcome to Dark Haven, and may all of your darkest wishes come true..." MET HER MATCH (A HAWKEYE STORY) by Sierra Cartwright Highly trained Mira Araceli can hold her own in the toughest parts of the world, but not, it seems, against her secret crush, Torin Carter. She'd fallen for her Hawkeye instructor years before, and to him, she'd been just another recruit; fresh, green, idealistic. Torin, with his dark Irish good looks and fierce temper, doesn't want a partner, any partner, and especially not Mira. But assignments are assignments, and he takes his responsibilities seriously. So when the beautifully submissive Mira crawls into his bedroom, a leather belt between her teeth, he calls on all his resolve to send her away. Unsatisfied, Mira ups the stakes and finds another dom to play with at Dark Haven. Beyond furious, Torin storms into Master Xavier's club and claims his rights to dominate Mira. For the first time in her life, she's met her match. EDUCATING EVANGELINE by Belinda McBride "This isn't what she came here for!" Pursued by a group of mysterious hunters, Evangeline Jones was desperate for sanctuary when she ducked into the doorway of Dark Haven. Instead of safety, she discovers a decadent, sensual world that challenges her very outlook on life. Harte Sommers is charmed by the little wolf with the pink streak in her ebony hair. As alpha of the Napa pack, he sometimes feels that he's alone at the top. When he meets Eva, he knows he might not be able to keep his wild little wolf at his side, but his heart tells him that his lonely days might be at an end. SIMON SAYS: MINE by Cherise Sinclair With an empty nest and divorce in hand, Rona decides it's time to explore the fantasies that nourished her through a long, tedious marriage to a man whose idea of outrageous sex was leaving the lights on. At the top of her fantasy list is touring Dark Haven, the BDSM club, but she isn't prepared for the effect of a powerful Dom. When Master Simon takes control and introduces her to toys and sensations she's never felt before, she realizes he could fulfil every fantasy on her list all by himself. But she's vowed to never get trapped in a relationship again. One of the most popular Doms in Dark Haven, Master Simon has had his fill of eager, shallow, young subs. Rona is older, intelligent, independent...and sweetly submissive. After an evening of intense pleasure and despite her obvious attraction, she refuses to see him again. He needs a way to change her mind. She's not the first sub he's taken on a journey of exploration, but he's beginning to think she might be the last. "Publisher's Note: This book contains explicit sexual content, graphic language, and situations that some readers may find objectionable: Anal play/intercourse, strong BDSM theme and elements to include exhibitionism and voyeurism."

Pamela Gillilan was born in London in 1918, married in 1948 and moved to Cornwall in 1951. When she sat down to write her poem *Come Away* after the death of her husband David, she had written no poems for a quarter of a century. Then came a sequence of incredibly moving elegies. Other poems followed, and two years after starting to write again, she won the Cheltenham Festival poetry competition. Her first collection *That Winter* (Bloodaxe, 1986) was shortlisted for the Commonwealth Poetry Prize.

When dream hunter Dylan Ryve spots a beautiful shapeshifter raising hell in a bar, he knows he wants the wild young man. But Travis Feris is more to Dylan than a few hot minutes outside in the snow; he's the assassin's ticket into the magical town of Arcada. He didn't plan to rescue the kid, but when he found the shifter being attacked, the opportunity to play hero was too good to pass up. Through the solitude of a long winter night, Dylan walks in Travis's fevered dreams, learning about Arcada and the pack, and showing the shifter the man he'd been so very long ago. When morning comes, both men know their lives will be forever entwined. From Dylan, Travis learns that he is a strong, valued member of the pack. The dreamwalker sees his own worth reflected back at him in the dark blue eyes of the wolf. Yet when Dylan has the chance to free himself from centuries of enslavement, can he betray the man he has come to love?
