Blank Word Walls For File Folders

- logisticsweek.com

In the past I have used a few different kinds of word walls. Most

recently I used a large portable word wall with Krash when he did You Can Read. For Ladybug, I wanted simple and small and opted for a personal word wall in a file folder. I created some simple printables, trimmed the edges, glued them in and DONE!

Reading, writing, and letter recognition skills are encouraged with this collection of 26 reproducible patterns for portable

alphabet word walls that turn ordinary file folders into letters of the alphabet which can be filled with words starting with that letter. Illustrations.

A clear and concise guide to teaching reading strategies to

young learners.

Fifty research-based literacy strategies designed for busy K-8 classroom teachers Organized around 10 key areas for teaching and learning literacy—phonemic awareness, phonics, reading

fluency, vocabulary, story comprehension, comprehension of informational text, questioning for understanding, discussion for understanding, narrative writing, and writing to learn-Promoting Literacy Development offers 50 clearly written, step-by-step

strategies for developing proficient readers and writers. The authors also include suggestions for differentiating instruction for English language learners and for students with special needs.

Create portable word walls with

students' favorite words by pasting patterns onto file folders with a variety of themes.

Ideas, resources, and a list of childrens' books that can be used to implement guided reading.

The book contains 33 lesson plans which can be used with any realistic fiction selection.

In this expansive survey, David Booth, one of our foremost authorities on teaching literacy, answers real questions from

teachers like you about turning research and theory into effective best practice. Teachers will find the answers they need and can use on almost any topic from phonics and word walls for beginning readers to guided reading, literature circles, and writing

journals and workshops for more confident readers;from using traditional texts to comics, songs and the Internet to cover the complete gamut of the new literacies;from using testing as a teaching tool to creating a classroom community that is both

diverse and welcoming. But Literacy 101 is more than just a guide — it's also the compelling story of one teacher's journey through literacy. David writes frankly about what has worked and not worked for him over the years, and how what looks good on paper

may need to be adapted for a real classroom.

Second-grade classrooms are exciting places to visit. Children are consolidating their growing reading and writing expertise, exploring new genres, and

becoming more effective communicators. This book takes the reader into several exemplary second-grade classrooms to demonstrate what teachers can do to optimize literacy learning for their students. Highlights include how to set appropriate short- and

long-term goals for individual students, ways to plan instruction to meet those goals, and innovative ideas for partnering with parents.

Shows teachers how to establish and manage literacy learning centers, small areas of the

classroom that contain supplies allowing for self-directed learning.

Practical suggestions to prepare over a dozen literacy work stations that link to instruction and make preparation and management easy for teachers.
