Blood Red By Cordelia Kingsbridge

Blood Red by Cordelia Kingsbridge. 11:25 pm 9 July 2014. I feel like Kingsbridge, author of the mammoth bodyguard free fiction Close Protection, the currently ongoing work-in-progress sci-fi story Control, and this free fantasy novel Blood Red, epitomizes what it is to write erotic romance. It ' s not just that each story has in-detail sexual encounters, (and for Blood Red, a lot of them), but sex and sexuality are key parts of the story and of the characters, and how they interact and grow.

Rediscover a thrilling world of immortals and intrigue in this classic paranormal romantic suspense, only from New York Times bestselling author Heather Graham. Yes, there are vampires in America; Mark Davidson knows it. And what city is more likely to be stalked by them than New Orleans? But Lauren Crow doesn't believe in vampires. Not at first. She and her friends are spending a bachelorette weekend in the Big Easy—all fun and games until a fortune-teller predicts a gruesome death. And until Lauren meets Mark, whom she finds absolutely compelling...and quite possibly crazy. He prowls the city by night, searching out vampires. Mark is as drawn to Lauren as she is to him, and not just because she's the image of his murdered fiancée. His obsession with tracking down his lover's killer is part of a vendetta that goes even deeper than grief over his lost love. As Lauren wrestles with desire and disbelief, sinister shadows lengthen over New Orleans. Vampires. They're threatening Lauren and her friends. And they're about to end the city's truce between the living and the undead! Originally published in 2007

Running into your ex is hard enough without a dangerous stalker in the mix. Charles Hunter's team is on a mission to extract an unidentified ATF agent from an undercover job gone wrong. All they've got to go on is the rendezvous location -- until Charles recognizes the ex he hasn't seen in years. Their "simple rescue mission" is about to get a lot more complicated. For Angel Medina, adjusting to life after his cartel nightmare is hard enough without confronting memories of a failed relationship. All he wants is a fresh start. But when a violent stalker lashes out from the shadows, Angel realizes his nightmare is far from over. As the stalker's obsession escalates and bodies start dropping, Charles and Angel are thrown together in a desperate search for the culprit. Tempers flare and old passions reignite, drawing them back into the same turbulent relationship that once ended in disaster. But the stalker isn't letting go -- and the next strike might hit straight through the heart.

Detective Levi Abrams and PI Dominic Russo are reunited and more committed to each other than ever, but they can't truly move forward with their lives until the serial killer who's been tormenting them is behind bars. When a secret burial site is discovered in the desert with the remains of the Seven of Spades's earliest victims, that goal finally seems within reach. But just as the net is tightening, the neo-Nazi militia Utopia launches their master plan with a devastating act of terror that changes the landscape of Las Vegas forever. As Levi and Dominic scramble to prevent the city's destruction, they're opposed by treacherous forces that propel them toward catastrophe. In the end, Levi's fate may rest in the hands of the very killer he's been hunting. The race to save Sin City is on, and these players are going for broke. No matter how hopeless things seem, as long as they're together and they've got a chip to play and a chair to sit in, they're still in the game.

Seven names. Seven families of royal vampires on Night Hill. One stands above all. After centuries of freedom, no one is happy to kneel to a new Eirikson. Diana intended to stop by Oldcrest for a pit stop. Catch up with her brother, meet his mate, maybe convince them to name their firstborn after her. She'll soon learn, as a Helsing, she must pick a side. Before one is picked for her. Mikar has spent centuries

Download Ebook Blood Red By Cordelia Kingsbridge

following Levi, to thank him for saving his life, but when all hell breaks loose, he has to decide: get the freedom he ' s earned, or die with the rest of his friends. Was there even a choice?

Ulysses has been the subject of controversy since copies of the first English edition were burned by the New York Post Office Authorities. Today critical interest centers on the authority of the text. This edition republishes, for the first time, without interference, the original 1922 text. Jeri Johnson's critical Introduction demystifies the complexities of the book, and a full textual publication history, helpful appendices, and explanatory notes guide the reader through this highly allusive text.

One of the fiercest soldiers the Phrixians have ever produced, Maris Sulle has been an outsider from the moment he was born different from the rest of his family. He grew up with a secret that cost him everything—his birthright, his family, and his military career. In all his life, he's only had one love, and he has sacrificed his own happiness to see his best friend reunited with the woman he loves. But now that his good deed is done, he feels lost and adrift. Even though they do their best to include him in their new family, Maris is once again on the outside looking in. Ture has spent his life hiding from everyone around him—his family, the world, you name it—while trying desperately to fit in. Badly hurt by everyone he's ever known, he trusts no one except his own best friend. And honestly, he can't understand why he trusts her. Nor can he believe her when she describes a loyalty between friends the likes of which he's never seen. But when Ture is in his darkest hour, he's saved by a hero he thought only existed in novels. A man who is every bit as scarred and mistrusting as he is—one who has no interest in being dragged into another relationship with anyone. Having spent his life as a living study of doomed relationships, Maris is well aware of the courtship and fiasco that invariably follows. Still, there is something about Ture he can't resist. Something that won't let him walk away when he knows he should. But when old enemies return to threaten them both, they either have to stand together or die alone.

Jack Reardon, former SAS soldier and current Australian Meta-State asset, has seen some messy battles. But "messy" takes on a whole new meaning when he finds himself tied to a chair in a torture shack, his cover blown wide open, all thanks to notorious killer-for-hire Ethan Blade. Blade is everything Jack doesn't believe in: remorseless, detached, lawless. Yet, Jack's only chance to survive is to strike a bargain with the devil and join forces with Blade. As they trek across a hostile desert, Jack learns that Blade is much more than a dead-eyed killer--and harder to resist than he should be. A year later, Jack is home and finally getting his life on track. Then Ethan Blade reappears and throws it all into chaos once more. It's impossible to trust the assassin, especially when his presence casts doubts on Jack's loyalty to his country, but Jack cannot ignore what Blade's return means: the mess that brought them together is far from over, and Ethan might just bring back the piece of Jack's soul he thought he'd lost forever.

All three books in the highly praised Dust Lands trilogy, which MTV ' s Hollywood Crush blog called “ better than The Hunger Games, ” are now available in a collectible paperback boxed set. In Blood Red Road, Saba is forced to flee Silverlake, a dried-up wasteland ravaged

Download Ebook Blood Red By Cordelia Kingsbridge

by constant sandstorms, when four cloaked horsemen capture her beloved twin brother Lugh. Suddenly thrown into the lawless, ugly reality of the outside world, Saba discovers she is a fierce fighter—and when she teams up with a handsome daredevil named Jack and a gang of girl revolutionaries, Saba stages a showdown that will change the course of her civilization. The action continues in Rebel Heart when a new enemy arises, and Saba needs all of her warrior ' s strength just to survive. The stakes only get higher in Raging Star. Because although Saba knows how to fight—she ' s not called the Angel of Death for nothing—sometimes there are fights that cannot be won. How much will she sacrifice to save the people she loves? This riveting trilogy is “ a natural for Hunger Games fans ” (Publishers Weekly) that makes an ideal gift.

Imprisoned for 'inflammatory writings' by the totalitarian Theocracy, shy intellectual Ashleigh Trine figures his story's over. But when he meets Kieran Trevarde, a hard-hearted gunslinger with a dark magic lurking in his blood, Ash finds that necessity makes strange heroes... and love can change the world.
