Essential Japanese Grammar is an indispensable study guide for students of the Japanese language at all levels. Long the standard in Japanese language education, it provides clear, jargon-free explanations of how Japanese grammar works and offers hundreds of example sentences. It is an essential handbook for self-study or for the classroom and should be a valued resource for years to come. A strong foundation in grammar is vital to those wishing to learn Japanese as a whole. Essential Japanese Grammar presents a number of unique features. First, grammatical terminology has been kept to a minimum so that extensive prior knowledge of grammar is not required. Second, abundant example sentences written in Japanese characters (kana and kanji) followed by romanji and English translations. Third, the authors have tried to reveal aspects of grammar that may not be found in comparable grammar books such as rare Japanese verbs, adjectival nouns, clauses adverbs, etc. This Japanese grammar book contains: parts of speech. sentence constructions. conjugations forms. speech styles and tones. accentuation rules. essential words and functional elements. an appendix for referencing and cross-

referencing Japanese words.

Offers 10,000 entries arranged alphabetically by the Romanized version of each term, and includes the appropriate Japanese written form

From the moment he sees Abbey at a charity fashion show, Russian tycoon Nikolai Arlov wants every inch of that curvy, creamy body. When she refuses him, he mercilessly switches tactics, aiming straight for her vulnerable heart... With her family's business in serious trouble, Abbey knows Nikolai's money is their only hope. She submits to his lethal brand of seduction and blackmail—ready and willing to do anything he desires. Only, Nikolai has no idea his reluctant mistress is...a virgin.

The Pocket Kenkyusha Japanese Dictionary is an essential reference for any English-speaker learning Japanese, whether they're studying the language at school or university, or learning it on their own. It offers detailed coverage of Japanese vocabulary, giving headwords and examples in both romanized and script form, along with thousands of examples that help you find the translation you need quickly and easily. Translations for each entry are clear and concise, and offer guidance on grammar and usage, with slang, formal, and derogatory terms clearly marked. Additional supplements include a guide to grammar; help with pronunciation, numbers, and days of the week; and cultural information, covering topics such as the government, political parties, and historical periods of Japan. Readership: An essential reference for all English-speakers learning Japanese, whether they're at school, university, or teaching themselves the language.

This is a clear, simple and compact guide to colloquial, everyday Japanese. Acquire basic proficiency in spoken Japanese. A streamlined, efficient approach. Perfect for self-learners or classroom use. Includes kanji and kana. Essential Japanese Vocabulary teaches all the Japanese grammar you need to speak and understand simple spoken Japanese. Covering only what is essential, it provides an efficient way for learners who have limited time to gain basic proficiency and begin to communicate naturally with Japanese language speakers. Intended for both self-study and classroom use the guide offers a practical course in colloquial Japanese, but leaves aside forms that are unnecessary or little used as well as those that are more important for written Japanese. In short chapters, it helps the user understand the logic of Japanese grammar, while its straightforward explanations and clear examples make learning as easy as possible. The book includes a glossary of grammatical terms and an index, as well as appendixes on Japanese pronunciation and verb conjugation. In a focused and convenient approach, Essential Japanese Vocabulary is an indispensable tool for beginners just starting to learn Japanese or a handy aid for more experienced learners who wish to refresh their knowledge.

Living in Meiji era Japan, Maria must hide the blond hair and blue eyes she inherited from her father out of concern over discrimination. But when a boy named Rintarou learns her secret, he can't help but say something: "You're...like a mermaid..." A dazzling historical romance awaits!

For English-speaking students of Japanese, particles are perhaps the most difficult aspect of the language to learn. It would be no exaggeration to say that, for most people, they can never be completely mastered. Thus, the study of particles is a lifetime undertaking, and students need a lifelong companion to help them along the way. That companion is A Dictionary of Japanese Particles. Covering over 100 particles in alphabetical order, the dictionary explains the meanings of each (most have more than one) and gives sample sentences for each meaning. Illustrations are provided where necessary for clarification. There are also exercises at the back of the book for those who wish to test their knowledge of particle usage. Appendixes and end paper charts are provided for easy access. A Dictionary of Japanese Particles is an essential reference work, meant to be used over the years as students continue to confront puzzling particles.

"Japanese: A Comprehensive Grammar is a complete reference guide to modern Japanese grammar. Accessible and systematic, it explores the complexities of the language thoroughly, filling many gaps left by other textbooks. Clear grammar points are put in context using examples from a range of Japanese media. The emphasis is firmly on contemporary Japanese as spoken and written by native speakers. Key features of the book include: coverage of colloquial and standard Japanese ; extensive cross-referencing ; detailed index of Japanese and English terms ; up-to-date real examples of current usage ; greater emphasis on structures that learners find particularly confusing ; glossary of linguistic terms. Written by experts in their fields, Japanese: A Comprehensive Grammar will prove a lasting and reliable resource for all learners of Japanese."--Publisher's website.
