Provide students with the tools they need to use French in real-life situations. This top-selling, three-level program includes technology and videos that bring the French language to life!

Francophile Karen Eberwein had always dreamed of becoming fluent in French. She realized that the perfect way to learn is total immersion - in a small village in the Dordogne Valley. So she packs a bag, rents a rustic stone cottage, and spends nearly a year in Cenac-et-Saint-Julien, France.Karen refuses to speak English, vows to speak to anyone who is willing to talk to her, religiously carries a French dictionary, and retains a light-hearted, playful approach to learning the language. She has carefully chosen a village not dominated by tourism, arrived in December, and in a surprisingly short amount of time, the local people befriend her.Claire, her fast-talking neighbor, invites her to dinner (when it is customary to know someone for years before welcoming them inside your home) and to the 31st Exposition Nationale d'Aviculture, where Claire is showing her pigeons. The elderly man down the hill, Jean-Paul, asks Karen along on a truffle hunting adventure, a visit to a hidden, ancient walnut mill, and accompanies her to the local Occitan festival, where he shares childhood and wartime memories. The local baker invites Karen to observe a typical day at the bakery, starting at 3:00 am., to see how the breads and croissants are made. Not to be outdone, the chef at the local restaurant teaches Karen how to make the traditional Garlic Soup in time to serve it to a crowd of locals for lunch.In the process of learning a language, she becomes part of a wonderful French village. Locals who first acknowledged her with a nod, then a handshake, now greet her warmly with kisses on both cheeks. She has gained much more than a language

Reproduction of the original: Napoleon Bonaparte by John S.C. Abbott

Camila, Madalena e Margarida são três meninas adoráveis que fazem as delícias das suas queridas mães. Brincam muitas vezes com a sua vizinha Sofia, que passa a vida a fazer disparates. Sofia é muito infeliz com a madrastra, a senhora de Fichini. Mas tudo muda quando a madrastra vai viajar e a deixa aos cuidados da senhora de Fleurville. Sofia recupera então a esperança e vai esforçar-se por merecer a confiança e o amor da sua nova família.

Learn Italian through the power of story. A simple Italian story for beginners! Enjoy the process of learning, don't beat yourself up. You don't need to read boring text books anymore. Italian A Short Story for Beginners is a story written just for you. The captivating nature of story makes learning fun and easy because your attention is focused and the context will help you determine what is being said. This book is loaded with simple sentences, practical scenarios, and common phrases any student of a second language would not only want to know, but NEED to know. Alternating vs Solid Text Alternating Text Alternating Text, Parallel text or interlinear text is when your target language, in this case Italian, is presented with the translation directly to the side or below respectively. A text may be presented with the literal translation of every word, or a sentence/paragraph translated into a more colloquial or natural way of expressing an idea. We find this second way to be of more value as it emphasizes patterns which are critical to learning any language and as you will see, most languages have unique idioms. An idiom is a phrase or pattern that expresses something other than its literal meaning like "what's up?" You're asking how someone is doing, not what's above them in the sky. Alternating text has many advantages over a traditional text body. Mainly you are able to very quickly glance down to see the translation of the idea your reading in Italian. No time is wasted flipping through glossaries and you don't risk losing your place in the book because the translated idea is presented right there on the same page within a glances reach. Solid Text A traditional text body or text written entirely in one language has advantages of its own. Mainly, you are forced to interpret new or unfamiliar words based upon the context and your own memory. Context is extremely important, not only in grasping the true meaning of what is being said, but developing your capability to infer what new words mean. This skill is of the utmost value. When you meet a Italian speaker for the first time, odds are they will say a thing or two that you don't know or can't understand. Your ability to infer the meaning of a given word can greatly improve the quality of such an experience. This will expedite the learning curve and boost confidence. It is inevitable that you will make mistakes, don't let that stop you from conquering a new language. Solid text also forces you to recall definitions, sentence patterns, and the meaning of various expressions. Without a quick translation available, you will be challenged and grow. Alternating + Traditional So, which style of text did we choose to include in this book? Well, each is so valuable that we couldn't pick one over the other. Thus, we included BOTH! We've presented the story first in its entirety with a Italian and English alternating text. Each paragraph is presented with its translation below. Second, we presented the entire story in Italian. So now you can use this awesome tool in a way that best suits you and your growing level of understanding. So, if you're interested in finally picking up Italian, you're just a click away. Order now.

This course features: a rigorous and comprehensive approach to grammar progression, with clear explanations and extensive practice ; motivating and challenging topics and tasks, set in authentic contexts, to enable students to reach their full potential ; clear and attractively designed pages, with humorous and stimulating artwork ; user-friendly vocabulary and grammar reference sections to encourage independent learning ; and end of unit summaries to provide a clear learning framework.
