Reconstruction Of A Western Sudanese Polity

This text
documents the
history of Borgu (a
little-known area
now situated in the
northern part of
the Republic of
Benin and the

Where To Download

north-western
region of Nigeria)
from the period
when Mande

peoples migrated
from their
homeland to settle

in many parts of
the Western Sudan
including Borgu. By
the ninth century,
they had

established long-
distance trade; the

Where To Download

art of making brass and copper artifacts by the lost-wax technique was known; and large political entities were being formed. By the 15th century, Borgu consisted of three kingdoms whose rulers claimed close kinship ties, and the king's

Where To Download

position was firmly rooted in ancient religious traditions. The historical reconstruction of Borgu society rests on a detailed examination of oral tradition, linguistic and genealogical data, archival records and ethnographic fieldwork.

Where To Download Borgu And Its

The European partition of Africa at the end of the nineteenth century produced enduring geo-political changes, with various ethnic groups permanently separated into different political formations. Borgu

Where To Download

was just one of the affected areas, divided by the French and British in 1894 and 1898. Now independent after years of British rule, the Nigerian Borgu is here examined in thorough detail, from earliest times to now. The book focuses on the new

Where To Download

emergence of a political identity in the Borgu, as well as its dynasties, economic growth and relations with the Yoruba.

This text documents the history of Borgu (a little-known area now situated in the northern part of

Where To Download

the Republic of
Benin and the
north-western
region of Nigeria)

from the period
when Mande
peoples migrated
from their

ethnographic
fieldwork.

Published in the
year 1978, Colonial
West Africa is a
valuable

contribution to the
field of History.

Within a wide
analytical and
historical
framework, this

Where To Download

text assesses the nature of African indigenous church historiography, and attempts to identify what future work needs to be done.

The attempt here is to find an explanation of the Reconstruction by focussing on two

Where To Download

groups which were
at its heart- the
Rand British
industrial

population, and the
mining financiers
who were so

influential amongst
them. Futhermore,
the intimate
relationship

between the two
groups, which was
both callaborative

Where To Download

and combative, has never been thoroughly analyzed.

Of A Western Sudanese Polity

This third edition of what has been described as “this minor classic” has been extensively revised to take account of advances in Nigerian

Where To Download

historiography. The
twenty million
Yorubas are one of
the largest and
most important
groups of people
on the African
continent.

Historically they
were organized in a
series of
autonomous
kingdoms and their
past is richly

Where To Download

recorded in oral tradition and archaeology. From the fifteenth century onwards there are descriptions by visitors and from the nineteenth century there are abundant official reports from administrators and missionaries.

Where To Download

Yoruba sculpture in stone, metal, ivory, and wood is famous. Less well-known are the elaborate and carefully designed constitutional forms which were evolved in the separate kingdoms, the methods of warfare and diplomacy, the oral

Where To Download

literature, and the religion based on the worship of a "high god"

surrounded by a pantheon of more accessible deities.

Many of these aspects are shown in the drawings and photographs which have been used—for the first time—to illustrate

Where To Download this distinguished work. Kingdoms A Reconstruction Of A Western

Originally
Sudanese Polity
published in 1980
and here re-issued
with an updated
preface, this book
deals with the role
of the horse in the
societies of West
Africa during the

Where To Download

pre-colonial period. It traces the history of its introduction and its diffusion within West Africa, and examines the problems of maintaining horses in such a harsh environment. The use of horses in warfare is analysed but the non-military aspects of

Where To Download

the West African horse culture are also discussed, principally the use of horses as tokens of status and wealth. The book includes a review of the decline of the West African horse culture in the 20th century, reflecting the passing of a

Where To Download

political system
based on warfare
and slavery.

Reconstruction

This volume
contains
contributions from
twenty-four
scholars
concerning the
significance and
implications of the
world's borderlands
in economic,

Where To Download

political, and socio-cultural contexts.

Together these essays explore the

changing role of borders in a global

world. Are borders increasingly

irrelevant under conditions of

globalization, or can a case be

made to

demonstrate their

Where To Download

continuing
importance at
various levels of
spatial activity?

Situating itself
within a growing
border literature,
Holding the Line
argues that
contemporary
borders facilitate
parallel processes
of globalization and
localization of

Where To Download

political activity. As such, the essays adopt a holistic approach to understanding the impact of boundaries on both society and space. They demonstrate that any attempt to create a methodological and conceptual framework for the

Where To Download

Understanding of boundaries must be concerned with the process of bounding, rather than simply the means through which the physical lines of separation are delimited and demarcated. This approach renders the notion of a "borderless world"

Where To Download

highly problematic, because the latter ignores the important and ongoing relationship between the functional role of borders in the bounding process, and the symbolic role of borders as imagined social, political, and

Where To Download

economic And Its
constructions
Kingdoms A
Reconstruction
Of A Western
Sudanese Polity

embedded within a
geographical text.

The changing
characteristics of
political boundaries
during an era of
globalization has
become a great
focus of
interdisciplinary
study, and this
book will appeal to

Where To Download

Scholars of political
geography, border
studies, and
international
relations.
