Tina Fey the self deprecating Bossypants in the book of the same name, has managed to write an autobiography that reads more like a comedic movie script than a novel about her life. The book is slightly dated now as her show 30 Rock is no more. Several of the people she mentions have died and many of the married couples have "uncoupled".

"Bossypants," by Tina Fey, isn't a memoir; it's a spiky blend of humor, introspection, critical thinking and Nora Ephronisms for a new generation.

'Bossypants' by Tina Fey - Review - The New York Times

Non-Fiction On her way to becoming an award-winning superstar, Tina Fey struggled through some questionable haircuts, some after-school jobs, the rise of nachos as a cultural phenomenon, a normal childhood, a happy marriage and joyful motherhood. Now she can reflect on what she's learned: you're no one until someone calls you bossy.

In honor of the five-year anniversary of Bossypants, here's a list of 12 life lessons I learned from Tina Fey's book. The book offers important thoughts on being a professional woman, dating, raising children, and beauty, so take notes. 1. "Some people say, 'Never let them see you cry.'

12 Life Lessons I Learned From Tina Fey's 'Bossypants' - BUST

Spirited and whip-smart, these laugh-out-loud autobiographical essays are "a masterpiece" from the Emmy Award-winning actress and comedy writer known for 30 Rock, Mean Girls, and SNL (Sunday Telegraph).

Bossypants by Tina Fey, Paperback | Barnes & Noble®

About Bossypants book: Once in a generation a woman comes along who changes everything. Tina Fey is not that woman, but she met that woman once and acted weird around her.

Bossypants (Tina Fey) ePub, PDF - Hot Book Review

Bossypants was such a fun and inspiring read. I had a really great time hanging out with Tina Fey for the duration of this book. She's a feminist, but she keeps it real (see her discussion of airbrushing magazine photos). She's a hardworker, but she...

Bossypants (Book) : Fey, Tina : From her youthful days as a vicious nerd to her tour of duty on Saturday Night Live; from her passionately halfhearted pursuit of physical beauty to her life as a mother eating things off the floor; from her one-sided

college romance to her nearly fatal honeymoon, comedian Tina Fey reveals all, and proves that you're no one until someone calls you bossy.

Bossypants (Book) | San Antonio Public Library | BiblioCommons

Publisher Description Spirited and whip-smart, these laugh-out-loud autobiographical essays are "a masterpiece" from the Emmy Award-winning actress and comedy writer known for 30 Rock, Mean Girls, and SNL" (Sunday Telegraph).

Spirited and whip-smart, these laugh-out-loud autobiographical essays are "a masterpiece" from the Emmy Award-winning actress and comedy writer known for 30 Rock, Mean Girls, and SNL (Sunday Telegraph). Before Liz Lemon, before "Weekend Update," before "Sarah Palin," Tina Fey was just a young girl with a dream: a recurring stress dream that she was being chased through a local airport by her middle-school gym teacher. She also had a dream that one day she would be a comedian on TV. She has seen both these dreams come true. At last, Tina Fey's story can be told. From her youthful days as a vicious nerd to her tour of duty on Saturday Night Live; from her passionately halfhearted pursuit of physical beauty to her life as a mother eating things off the floor; from her one-sided college romance to her nearly fatal honeymoon -- from the beginning of this paragraph to this final sentence. Tina Fey reveals all, and proves what we've always suspected: you're no one until someone calls you bossy. (Includes Special, Never-Before-Solicited Opinions on Breastfeeding, Princesses, Photoshop, the Electoral Process, and Italian Rum Cake!)

"When Awesome Dog's heroics gain media attention, Marty, Skyler, and Ralph find themselves targeted by the narcissistic mayor of Townville"--

Having the bad luck to die the night before the Oscars after having finally been nominated, self-obsessed movie star Tyler Johnes bargains with a heavenly gatekeeper to allow him to return to Earth for the Academy Awards ceremony to see if he won.

"When Awesome Dog's heroics gain media attention, Marty, Skyler, and Ralph find themselves targeted by the narcissistic mayor of Townville"--

The hilarious true story of the making of the cult classic hit show 30 Rock It's hard to remember a time when Tina Fey wasn't a star, but back in the early 2000s, she was an SNL writer who was far from a household name. It's even harder to remember when Fey's sitcom 30 Rock was tanking, but it was—it premiered in the fall of 2006, and by November, the New York Times wrote that 30 Rock was "perilously close to a flop." But despite all expectations (including those of some of the

cast and crew), Tina Fey's eccentric buddy comedy lasted 138 episodes, spanning seven seasons. It resurrected the career of Alec Baldwin, survived an extended absence by Tracy Morgan, and permeated the culture— its breakneck pacing, oddball characters, and extremely rich joke writing are deeply beloved by millions of fans. Through more than fifty original interviews with cast, crew, critics, and more, culture writer Mike Roe brings to life the history of the gloriously goofy show that became an all-time classic. The 30 Rock Book has everything in it, from tales of the amazing music still stuck in our heads, to the iconic bit characters that make the show, to all the love and drama of the backstage crew . . . and the creative failures and successes along the way. So grab your night cheese and muffin tops, cuddle up with your slanket against your Japanese body pillow, and settle in for the story of one of the funniest shows in television history.

In this #1 New York Times bestseller, Ellen DeGeneres shares her hilarious take on everything from our most baffling human foibles—including how we behave in elevators, airplanes, and restrooms, and why we're so scared of the boogeyman—to fashion trends, celebrity, and her secret recipe for Ellen's Real Frenchy French Toast. Most of all, this witty, engaging book offers insights into the mind of one of America's most beloved comics.... Dear Reader, I was awfully excited when I was asked to write a book. I was however, nervous. I was afraid I didn't have anything important to say. But when I began writing, I realized that although I don't know a lot about any one thing, I know a little about a whole bunch of things: baking a pie; dancing; curing the common cold; running the Iditarod—it's all in the book. And I realized I notice things that maybe some people don't notice (or they don't notice that they don't notice). That's all in the book, too.

THE INSTANT #1 NEW YORK TIMES BESTSELLER "This is your happy hour with Amy Schumer... It's Bossypants meets Trainwreck meets your long weekend." —TheSkimm "Amy's got your back. She's in your corner. She's an honesty bomb. And she's coming for you." —Actress Tilda Swinton and Trainwreck co-star The Emmy Award-winning and Tony-nominated comedian, actress, writer, and star of Inside Amy Schumer and the acclaimed films Trainwreck and I Feel Pretty has taken the entertainment world by storm with her winning blend of smart, satirical humor. Now, Amy Schumer has written a refreshingly candid and uproariously funny collection of (extremely) personal and observational essays. Ranging from the raucous to the romantic, the heartfelt to the harrowing, this highly entertaining and universally appealing collection is the literary equivalent of a night out with your best friend—an unforgettable and fun adventure that you wish could last forever. Whether she's experiencing lust-at-first-sight while in the airport security line, sharing her own views on love and marriage, admitting to being an introvert, or discovering her cross-fit instructor's secret bad habit, Amy Schumer proves to be a bighearted, brave, and thoughtful storyteller that will leave you nodding your head in recognition, laughing out loud, and sobbing uncontrollably—but only because it's over.

Official Book Club Selection is Kathy Griffin unplugged, uncensored, and unafraid to dish about what really happens on the road, away from the cameras, and at the star party after the show. (It's also her big chance to score that coveted book club endorsement she's always wanted. Are you there, Oprah? It's me, Kathy.) Kathy Griffin has won Emmys for her reality show

Kathy Griffin: My Life on the D-List, been nominated for a Grammy, worked and walked every red carpet known to man, and rung in the New Year with Anderson Cooper. But the legions of fans who pack Kathy's sold-out comedy shows have heard only part of her remarkable story. Writing with her trademark wit, the feisty comic settles a few old scores, celebrates the friends and mentors who helped her claw her way to the top, and shares insider gossip about celebrity behavior—the good, the bad, and the very ugly. She recounts the crazy ups and downs of her own career and introduces us to some of the supertalented people she encountered before they got famous (or, in some cases, after fame went to their heads). Word to the wise: If you've ever crossed Kathy Griffin at some point in your life, check the index for your name. Along the way, Kathy reveals intimate details about her life before and after she made the big time. She opens up about everything from growing up with a dysfunctional family in suburban Illinois to bombing as a young comedian in L.A., from her well-publicized plastic surgery disasters to her highly publicized divorce, and more. Only in this book will you learn how the dinner table is the best training ground for a career in stand-up, how speaking your mind can bite you on the ass and buy you a house, and which people in Kathy's life have taught her the most valuable lessons—both inside and outside the entertainment industry. And as if all that wasn't enough, there are also dozens of exclusive and somewhat embarrassing photos from Kathy's own collection—featuring the diva of the D List herself, with her old nose as well as her new one, plus celebrity friends, foes, frenemies, and hangers-on for you to gawk at. Refreshingly candid, unflinchingly honest, and full of hilarious "Did she really say that?" moments, Official Book Club Selection will make you laugh until you cry, or just puke up a little bit.

"A collection of whimsical autobiographical essays by the Academy Award-nominated actress and star of *Up in the Air* recounts memorable milestones from her New England upbringing to the blockbuster films that have made her one of Hollywood's most popular actresses, "--Baker & Taylor.

The former Saturday Night Live comedienne recounts her midlife career slump, long-distance relationship, and unplanned motherhood, which culminated in uproarious childcare activities and the bewilderment of friends and family members.
