A guide to investing basics by the author of Broke Millennial, for anyone who feels like they aren't ready (or rich enough) to get into the market Millennials want to learn how to start investing. The problem is that most have no idea where to begin. There's a significant lack of information out there catering to the concerns of new millennial investors, such as: * Should I invest while paying down student loans? * How do I invest in a socially responsible way? * What about robo-advisors and apps--are any of them any good? * Where can I look online for investment advice? In this second book in the Broke Millennial series, Erin Lowry answers those questions and delivers all of the investment basics in one easy-to-digest package. Tackling topics ranging from common terminology to how to handle your anxiety to retirement savings and even how to actually buy and sell a stock, this hands-on guide will help any investment newbie become a confident player in the market on their way to building wealth.

A comprehensive guide to talking about money in every aspect of your life, including at work, with friends and family, and in relationships, from the author of the Broke Millennial series. Let's face it--talking about money is always awkward. In this user-friendly and approachable guide, finance writer Erin Lowry helps take the stress out of these tricky conversations. With scripts, tips, and troubleshooting advice, she takes you through every possible money talk scenario, including: • how to tell your friends you can't afford the same lifestyle they can • how to ask your parents if they can afford retirement and if they'll need your support as they age • how to talk to your coworkers about your salary and negotiate with your boss • how to broach the subject of a prenup with your fiancé Lowry arms you with all of the financial knowledge you'll need in order to get the most out of each interaction, whether that's with your friends, your spouse, your employer, or your mom. It's time to demystify our money and hash out these tough topics with the important people in our lives, and this helpful book will make it all much easier.

the budgeting process, and shows you how to plan your financial path to point toward your goals. You'll learn how to prioritize spending, how to save efficiently, and how to take advantage of simple tools you didn't know you had. Next comes the most important part: taking control. You need to really look at how you perceive and use money day-to-day. Chances are, changing a few habits could give you some breathing room and help you reach your goals sooner. You work hard for your money, yet there never seems to be enough. You don't need to live like a pauper, but you need to be truly aware of just where your money is going, and why. Financial awareness is the key to a financially secure future, and this book unpacks it all to help you get where you want to go. Accept past decisions and articulate your financial goals Align your lifestyle with your budget Explore your relationship with money Re-evaluate financial habits and behaviors You know you need a budget, but you never seem to get around to doing it. Or maybe you did, but you can never seem to stick to it. Smart planning is a major factor in financial security, and it involves just as much introspection as math. You Only Live Once is more than a budgeting guide—it's a guide to revamping your financial behaviors to achieve the life you want.

Learn how to live the life you want, not just the life you can afford! Managing your money is like going to the dentist or standing in line at the DMV. Nobody wants to do it, but at some point, it's inevitable: you need to clean your teeth, renew your license, and manage your personal finances like a grown-up. Whether you're struggling to pay off student loan debt, ready to stop living paycheck to paycheck, or have finally accepted that your Beanie Baby collection will never pay off, tackling your finances may seem immensely intimidating. But it doesn't have to be. By approaching personal finance as a game--something that requires you to set clear goals, as well as face challenges you must "beat"--personal finance can not only be easy to understand, but it can also be fun! In *Get Money*, personal finance expert Kristin Wong shows you the exact steps to getting more money in your pocket without letting it rule your life. Through a series of challenges designed to boost your personal finance I.Q., interviews with other leading financial experts, and exercises tailored to help you achieve even your biggest goals, you'll learn valuable skills such as: Building a budget that (gasp) actually works Super-charging a debt payoff plan How to strategically hack your credit score Negotiating like a shark (or at least a piranha) Side-hustling to speed up your money goals Starting a lazy investment portfolio...and many more! Simply put, with this gamified guide to personal finance, you'll no longer stress about understanding how your finances work--you'll finally "get" money.

“ The newbie investor will not find a better guide to personal finance. ” —Burton Malkiel, author of *A RANDOM WALK DOWN WALL STREET* TV analysts and money managers would have you believe your finances are enormously complicated, and if you don't follow their guidance, you'll end up in the poorhouse. They're wrong. When University of Chicago professor Harold Pollack interviewed Helaine Olen, an award-winning financial journalist and the author of the bestselling *Pound Foolish*, he made an offhand suggestion: everything you need to know about managing your money could fit on an index card. To prove his point, he grabbed a 4" x 6" card, scribbled down a list of rules, and posted a picture of the card online. The post went viral. Now, Pollack teams up with Olen to explain why the ten simple rules of the index card outperform more complicated financial strategies. Inside is an easy-to-follow action plan that works in good times and bad, giving you the tools, knowledge, and confidence to seize control of your financial life.

AS SEEN ON PUBLIC TELEVISION New for 2021—The complete action plan from Ed Slott, "the best source of IRA advice" (*Wall Street Journal*), to help you make sure your 401(k)s, IRAs, and

retirement savings aren't depleted by taxes by the time you need to use them. If you're like most Americans, your most valuable asset is your retirement fund. We diligently save money for years, yet most of us don't know how to avoid the costly mistakes that cause a good chunk of those savings to be lost to needless and excessive taxation. Now, in the midst of a financial crisis, there is more need than ever to protect your assets. The New Retirement Savings Time Bomb, by renowned tax advisor Ed Slott, shows you in clear-cut layman's terms how to take control over your retirement savings plan. This easy-to-follow plan helps you place your assets to avoid the latest traps set out by congress in addition to any that might be set down the road, so you can keep your hard-earned money no matter what. And, it's fully up-to date with information on the SECURE Act and everything you need to know about how the coronavirus relief bills will affect your savings down the road. This book is required reading for every American with savings and investments who is planning to retire, be it five years from now or fifty.

The How to Manage Your Money When You Don't Have Any Workbook is a companion to the best selling personal finance book. It provides hands on access to the advice that has helped over 70,000 households increase their financial stability. Starting with the barriers that keep us stuck and ending with a budget that you can use next month, this short workbook will let you make financial decisions with confidence.

Over half of Millennials are freaked out by their finances. Luckily, with Millennial Money Makeover readers now have a guide to help them navigate the financial issues of their time. Certified public accountant Conor Richardson offers a refreshingly helpful and elegantly designed program to tackle essential money matters. Millennial Money Makeover takes readers on a six-step journey to transform their financial life and set them up for lifelong success. From learning how to pay off student loans insanely fast to optimizing a financial ecosystem, Millennial Money Makeover teaches readers how to reclaim their financial future and jump-start the path to the rich life. Built for readers in their twenties and thirties, this book gives Millennials a proven playbook. Learn new hacks like how using robo-advisors can increase your returns and how leveraging delayed gratification when buying your first home can save you thousands. Whether you are planning a passion budget, figuring out how to finally purchase that big-ticket item, or thinking about taking your first dip into investing, Conor will show you the way.
