Brothers of the Night presents powerful stories in which raw male sexuality and raw terror are subtly intertwined.

The drought-stricken Louisiana town of Bristol Springs was turning into a living grave. Little by little its desperate citizens were watching their dreams die, but the terrible blight was bringing something else to life--a deadly horror far worse than any earthly bane. A vampire as old as time with powers greater than mere legend, she summoned the beasts of the night to serve her foul will.

The Edgar Award-winning author of *Never Trust a Dead Man* puts a terrifying spin on what should be a typical night in a small town. Sixteen-year-old Kerry has got a tough night ahead of her. What begins as a simple lost-and-found trip to the laundromat to rescue her little brother's stuffed koala bear turns into a nightmarish odyssey of murder, vampires, and—quite possibly—true love. #1 New York Times bestselling author Nora Roberts presents the first novel in a compelling trilogy about three brothers bound by fate, blood, and a timeless enemy. In the town of Hawkins Hollow, it's called The Seven. Every seven years, on the seventh day of the seventh month, strange things happen. It began when three young boys—Caleb, Fox, and Gage—went on a camping trip to The Pagan Stone... It is only February, but Caleb Hawkins—descendant of the town founders—has already seen and felt the stirrings of evil. Though he can never forget the beginning of the terror in the woods twenty-one years ago, the signs have never been this strong before. Cal will need the help of his best friends Fox and Gage, but surprisingly he must rely on a stranger as well. Reporter Quinn Black came to Hawkins Hollow hoping to make its eerie happenings the subject of her new book. She too can see the evil the locals cannot, somehow connecting her to the town—and to Cal. As winter turns to spring, they will shed their inhibitions, surrendering to a desire that will grow and form the cornerstone of a group of men and women bound by the fight against what is to come from out of the darkness... of the party and kill the twins before they can upset the balance. Jaquelin knows about the induction and has spoken to Jak about the twins becoming more instrumental to the family. Jak tells her that such will not be the case and they will remain mostly hidden from the outside world as they have been for their entire lives within the clan. Thinking the treatment unfair for the two vampires, she disobeys Jak and takes the twins into the town of Harding so that at least once in their lives they may taste freedom. During the visit Tristen breaks away on the streets and meets another vampire that calls himself Vincent Summerset and tells Tristen that he, the small weak undead, is his master and he wishes to serve him again. As a human who hunts vampires, I risk death each night I take to the streets. Bloodsuckers are stupidly fast. I have only my wits, my practice, and my weapons. Oh yeah, and my rage. Vampires killed my parents before my eyes when I was young. My revenge? I'll destroy every last one of the evil bastards, starting with their king. But only one man can help me locate the king. Achingly tall, dark, and too-sexy-for-his-own-good, Ryker is gorgeous enough to be the vamp king himself. But the devilish arch to his black eyebrow, his white, unfangy grin, and rocking the daytime are good clues that he's human. We'll have to work together as uneasy allies if I hope to get my final revenge on the king—only now it seems evil monsters are also after our prey, and they'll stop at nothing to see us all dead. And why are
