"In this journey, Brownies have fun learning that stories contain clues that can be used to make the world a better place. In fun, flip-book format, one side is devoted to fictional stories that take Brownie girl characters to diverse places in the world. The other side has stories of real-life Brownies exploring their world closer to home. Through the journey's many adventures, anecdotes and activities, girls follow through on clues and enjoy a fun and challenging experience that strengthens their confidence and gives them a chance to better the world." --Website.

Across the British Empire and the world, the 1920s and 1930s were a time of unprecedented social and cultural change. Girls and young women were at the heart of many of these shifts. Out of this milieu, the Girl Guide movement emerged as a response to modern concerns about gender, race, class, and social instability. In this book, Kristine Alexander analyzes the ways in which Guiding sought to mould young people in England, Canada, and India. It is a fascinating account that connects the histories of girlhood, internationalism, and empire, while asking how girls and young women understood and responded to Guiding ' s attempts to lead them toward a “ useful ” feminine future.

Marsha always has trouble making decisions, but her Brownie friends help her make a difficult choice about whether to go to a sick child's birthday party or to meet a famous ballerina.

#1 NEW YORK TIMES BESTSELLER • In her latest book, Bren é Brown writes, “ If we want to find the way back to ourselves and one another, we need language and the grounded confidence to both tell our stories and be stewards of the stories that we hear. This is the framework for meaningful connection. ” In Atlas of the Heart, Brown takes us on a journey through eighty-seven of the emotions and experiences that define what it means to be human. As she maps the necessary skills and an actionable framework for meaningful connection, she gives us the language and tools to access a universe of new choices and second chances—a universe where we can share and steward the stories of our bravest and most heartbreaking moments with one another in a way that builds connection. Over the past two decades, Brown ’ s extensive research into the experiences that make us who we are has shaped the cultural conversation and helped define what it means to be courageous with our lives. Atlas of the Heart draws on this research, as well as on Brown ’ s

singular skills as a storyteller, to show us how accurately naming an experience doesn't give the experience more power—it gives us the power of understanding, meaning, and choice. Brown shares, "I want this book to be an atlas for all of us, because I believe that, with an adventurous heart and the right maps, we can travel anywhere and never fear losing ourselves."

The inspiring memoir for young readers about a Latina rocket scientist whose early life was transformed by joining the Girl Scouts and who currently serves as CEO of the Girl Scouts of the USA. A meningitis outbreak in their underprivileged neighborhood left Sylvia Acevedo's family forever altered. As she struggled in the aftermath of loss, young Sylvia's life transformed when she joined the Brownies. The Girl Scouts taught her how to take control of her world and nourished her love of numbers and science. With new confidence, Sylvia navigated shifting cultural expectations at school and at home, forging her own trail to become one of the first Latinx to graduate with a master's in engineering from Stanford University and going on to become a rocket scientist at NASA's Jet Propulsion Laboratory. Simultaneously available in Spanish!

Winner of the 2014 Sir Julius Vogel SFFANZ Award for Best Novel. A dying tree, a desperate quest, a love story, a last stand. Chonrad, Lord of Barle, comes to the fortified temple of Heartwood for the Congressus peace talks, which Heartwood's holy knights have called in an attempt to stave off war in Anguis. But the Arbor, Heartwood's holy tree, is failing, and because the land and its people are one, it is imperative the nations try to make peace. After the Veriditas, or annual Greening Ceremony, the Congressus takes place. The talks do not go well and tempers are rising when an army of warriors emerges from the river. After a fierce battle, the Heartwood knights discover that the water warriors have stolen the Arbor's heart. For the first time in history, its leaves begin to fall... The knights divide into seven groups and begin an epic quest to retrieve the Arbor, and save the land. File Under: Fantasy [Heart of Wood | An Epic Quest | Fields of Blood | Knights Abroad] From the Trade Paperback edition.

Everything you ever need to know about making it as a scientist. Despite your graduate education, brainpower, and technical prowess, your career in scientific research is far from assured. Permanent positions are scarce, science survival is rarely part of formal graduate training, and a good mentor is hard to find. In *A Ph.D. Is Not Enough!*, physicist Peter J. Feibelman lays out a rational path to a fulfilling long-term research career. He offers sound advice on selecting a thesis or postdoctoral adviser; choosing among research jobs in academia, government laboratories, and industry; preparing for an employment interview; and defining a research program. The guidance offered in *A Ph.D. Is Not Enough!* will help you make your oral presentations more effective, your journal articles more compelling, and your grant proposals more successful. A classic guide for recent and soon-to-be graduates, *A Ph.D. Is Not Enough!* remains required reading for anyone on the threshold of a career in science. This new edition includes two new chapters and is revised and updated throughout to reflect how the revolution in electronic communication has transformed the field.

Having the right CFO is a critical component for every company's success. Dergel provides CFOs and those in the making with a strategic blueprint to benefit their companies and their careers. He reveals how to build a strong, successful career plan with guidance on team building and management of the multiple relationships that CFOs face on a daily basis, plus how to balance one's work and personal life.

Donna Schwenk's world changed when she discovered cultured foods. After a difficult pregnancy and various health problems, she became determined to find answers to what ailed her. And in her quest, she came across the ancient art of home fermentation, a food preparation technique that supercharges everyday foods with beneficial bacteria to balance your digestive system, and vitamins and minerals to enhance your overall health. This simple, natural process has been used for thousands of years to create everything from drinks like kefir and kombucha to foods like kimchi and pickles. After incorporating fermented foods into her life, Donna began to experience a vitality that she had never known. And then she was hooked! She started a new life as a teacher and writer, blogging on her website culturedfoodlife.com, in an effort to bring the beautiful world of fermented foods to as many people as possible. She now works with thousands of people to open the door to a world of foods that can help improve an array of health problems including high blood pressure, diabetes, allergies, acne, hypertension, asthma, and irritable bowel syndrome. In *Cultured Food for Life* Donna brings this same information to you and shows you that preparing and eating cultured foods is easy, fun, and delicious! After speaking to the science behind the healing power of probiotic foods and telling the astonishing story of how she healed herself and her family, Schwenk walks you, step by step, through the basic preparation techniques for kefir, kombucha, cultured vegetables, and sprouted flour, plus more than 135 recipes that use these foods to create dishes to please any palate. With recipes like Herbed Omelet with Kefir Hollandaise Sauce, Sprouted Ginger Scones with Peaches and Kefir Cream, Kefir Veggie Sprouted Pizza, Apple Sauerkraut, and Brownie Cupcakes with Kefir Frosting, along with inspirational stories from Donna's family and friends, you'll learn everything you want to know about a diet that's as tasty as it is healthy.
