The second edition of this bestselling textbook has been fully updated with a synopsis of the latest changes in the fields of intercultural communication and leadership development. This includes new benchmark interviews from some of the world's foremost companies; a wealth of proven guidelines, tools, and models, including Wibbeke's own Geoleadership Model and two new chapters focusing on the influence of gender and technology on culture and leadership. This new edition also emphasizes practical examples of individuals and organizations that have utilized the core concept of "geoleadership"—including updated research from those at the forefront of various industries, including finance, healthcare, and manufacturing. With contributions and endorsements from some of the most important thought leaders in leadership development and intercultural communication, this edition offers a resource for designing, delivering, and evaluating successful leadership theories and practices to both students and practitioners.

This best-selling book continues to present a brief “no-nonsense ” approach to the fundamentals of business that spans the range of all functional areas— management, marketing, operations, accounting, information systems, finance, and legal studies. Topics comprehensively covered include: the contemporary business environment; the business of managing; principles of marketing; managing information; people in organizations; and financial issues. An excellent reference resource for business managers and executives; also appropriate for entrepreneurs and others involved in business relations.

For Introduction to Business courses This #1 brief Introduction to Business text continues to provide a solid foundation of the essential topics a beginning business student needs to understand. The 7th edition was revised with updated content, a modern design, and engaging media for today's students. Media can be found in myBIZlab, an online system which provides students with extensive online resources, assessment, and actual interaction with business topics.

This best-selling text moves from broad, general perspectives to focused coverage of specific business functions. A variety of boxes, vignettes and quotes work together to draw students dynamically into the real world of contemporary business.
