the legal, political, and social context in which the firm is embedded. Its approach is a managerial one, rather than a public policy or social responsibility perspective, and focuses on issues of importance to managers of firms, emphasizing analysis and reasoning as the foundations for forming effective and responsible business strategies. The book gives conceptual frameworks for analyzing the business environment. They are: 1) understanding issues and their development, 2) strategy formulation, 3) analyzing the news media, 4) political analysis, 5) market failures, 6) the economics and politics of government intervention, 7) the economics and politics of international trade, 8) country analysis, and 9) ethics analysis and decision-making. These frameworks are based in the disciplines of economics, political science, law, and ethics and are applied to the environment of business in the United States and other countries, including China, Japan, and the European Union. The book contains 73 case studies, including Microsoft, eBay, ScheringPlough, Citigroup, DoubleClick, and British Petroleum. For managers in firms in the United States and other countries, and government employees whose jobs deal with the policy-making and business.

Provides an introduction to business functions, issues and activities and to the way they interact with their environment. It is the core text for the Business In Context Series which serves as a stand-alone introduction to business studies. An ELBS/LPBB edition is available.

For courses in business law and the legal environment of business This comprehensive textbook not only helps students develop a thorough understanding of the legal environment of business, but also enhances their ability to engage in critical thinking and ethical analysis, and

ultimately survive in an increasingly competitive global environment. The following features of this text are designed to ensure that the authors' goal-to develop critically thinking students who understand the important concepts of business law and the legal environment of business-is attained. Teaching and Learning Experience This text will provide a better teaching and learning experience-for you and your students. It provides: Critical thinking skills that are developed through a superior, comprehensive, one-of-a-kind approach. An emphasis on the global environment that helps prepare students for working in countries outside of the United States, or for U.S. companies with dealings in foreign companies or countries. Additional features that distinguish this text's teaching and learning advantages, including links connecting the law to other disciplines, a balanced mix of classic and current cases, For Future Reading lists, Applying the Law to the Facts features and more.

This is the only textbook that helps students develop a thorough understanding of the legal environment of business and enhances their ability to engage in critical thinking and ethical analysis. The legal environment of business is thoroughly treated in an extremely reader-friendly manner; various topics include: the American legal system, dispute resolution, constitutional principles, cyberlaw, white-collar crime, contracts, sales, product and service liability, the law of property, agency law, labor-management relations, environmental law, securities trading and issuance, antitrust laws, and debtor-creditor relations. An excellent desk reference for the legal departments of any business, this book also provides an interesting read for anyone interested in business and ethics.

INTERNATIONAL BUSINESS LAW AND ITS ENVIRONMENT, 8e, International Edition centers on the basic market-entry strategies most firms deploy as they expand into international markets: trade in goods and services, protecting and licensing intellectual property, and foreign direct investment. Interweaving the law with ethics-related issues, the text shows how individual firms manage these strategies in different ways while discussing the latest political, economic, and legal developments around the world. Helpful features such as case examples, end-of-chapter questions, and ethics activities help solidify your understanding of the material.

By encouraging students to explore the challenges and opportunities managers face in the business environment, this text will provide students with a solid foundation from which to build upon their business knowledge.

THE LEGAL ENVIRONMENT TODAY: BUSINESS IN ITS ETHICAL, REGULATORY, E-COMMERCE, AND GLOBAL SETTING, 7th Edition gives students the working knowledge of business-related laws recommended by the Association to Advance Collegiate Schools of

Business, and helps strengthen the reasoning skills they need to interpret and apply them. Challenging students to analyze and resolve the legal issues in the chapters, the text includes many learning features, including full cases and excerpts from 2010 and 2011 decisions, exam preparation tools, hypothetical situations and exercises, ethical discussions, and international considerations. Chapter topics include the latest on corporate responsibility, the housing crisis, financial and credit card reforms, health-care laws, and much more. Hands-on and student friendly, the text includes online access to interactive flash cards, quizzing, and other study tools. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

In today's rapid-fire, global economy, insightful business policy and on-target strategy are essential for a corporation's survival. Business globalization, deregulation, mergers, acquisitions, strategic alliances, and international joint ventures-along with the new emphasis placed on shareholders-contribute to feelings of uncertainty throughout the marketplace. Add to that the constantly changing e-commerce environment and staying current with plans and procedures becomes even more crucial. By analyzing corporate functions such as marketing, production, operations, and finance, Business Policy and Strategy: The Art of Competition, Seventh Edition teaches students how to successfully formulate, implement, and evaluate corporate strategy. The textbook reviews basic and alternative strategy policies and provides students with an understanding of strategic management-how to deal with environmental change and formulate strategic alternatives. Expertly blending theory with practicality, the authors provide the tools necessary to navigate through the current highly competitive
