Real moms reveal the secrets to successful baby gear shopping. You've waited your whole life to get your hands on that magic baby product scanning gun. And it's brilliant fun. For the first three hours. And then it gets downright overwhelming. You know you need a crib, but what about a bassinets, a cradle, or a play yard? The stroller you love comes with a carry-cot, but can you actually carry the baby in it? Will you be able to get the green beans out of the cracks in that adorable high chair? You're a smart chick?why is this so hard? It doesn't have to be! The Baby Gizmo Buying Guide is the most comprehensive guide to baby products on the planet. Heather Maclean and Hollie Schultz, the founders of BabyGizmo.com, a product-testing and research coalition of moms, pediatricians, and child development experts, walk you through not only standard purchases like car seats and high chairs, but also new generation choices like luxury stroller systems and designer diaper bags. Amidst Heather and Hollie's real-life mom stories and confessions (yes, they tasted the toys on their babies' activity centers), you'll discover: What you really need versus what's just nice to have Which products to include (and not include) on your baby registry The best time of the year to buy certain items Which products to store in the perfectly packed diaper bag How to avoid the "bad baby product buying cycle" Even which products can make you pretty The Baby Gizmo Buying Guide will help you select the right products for your unique needs and lifestyle, so you can bask in the bliss of a perfect purchase, stroll with confidence, and know your neighbors have diaper bag envy.

Robin Hansen can justifiably claim to be the person who started the groundswell of interest in roots knitting patterns for mittens. When Fox & Geese & Fences: A Collection of Traditional Maine Mittens was published a generation ago, it was an instant success, and nary a knitter above the age of thirty has not heard of it. It was followed by a second, equally inspiring collection: Flying Geese & Partridge Feet: More Mittens from Up North & Down East. Favorite Mittens is a compilation of some of the most popular traditional designs from Robin's groundbreaking first two books, presenting these tried-and-true patterns in a new format, with step-by-step directions revised and updated for ease of knitting, thanks to the helpful feedback Robin has gotten from the knitters who flock to her workshops all around the country.

This colorfully illustrated multicultural children's book presents several Japanese fairy tales and other folk stories—providing insight into a rich oral culture. Welcome to a fantastic world populated by magical teakettles, long-nosed goblins, brave warriors, and a host of other beloved characters who have lived on for centuries in the traditional tales of Japan. Drawn from Japanese folklore that has been passed down from generation to generation, the nine enchanting stories collected in this volume have been lovingly retold just for today's readers. Vibrantly illustrated and full of thrilling adventures, funny discoveries and important lessons, they're sure to become story time favorites. Included are some of Japan's best-loving children stories: Peach Boy The Magic Teakettle Monkey-Dance and Sparrow-Dance The Long-Nosed Goblins The Rabbit in the Moon The Rabbit in the Moon The Tongue-Cut Sparrow Sill Saburo The Toothpick Warriors The Sticky-Sticky Pine

Unique designs from a knitwear pro. “ A mitten-covered thumbs-up to Knitting New Mittens [&] Gloves. It ' s a nice blend of the classic and the funky ” (Go Knit In Your Hat). Growing up in Cape Breton, on Canada ' s Atlantic coast, knitwear designer Robin Melanson learned early on the importance of gloves and mittens in a harsh winter climate. Now this self-described “ mitten and glove aficionado ” shares her enthusiasm for these ordinary items by presenting 28 extraordinary ways to make them for year-round style. Featuring gloves, mittens, arm warmers, mitts, and fingerless gloves, this is the second book in a new STC Craft series that introduces innovative approaches to creating popular knitted items. Knitting New Mittens and Gloves combines traditional and untraditional techniques—as well as influences as far-flung as Gothic architecture, Estonian lace, and Wagnerian opera—in a winning collection of patterns for adults and children. From wool mittens filled with unspun fleece and arm warmers with leather laces, to cotton-mesh fingerless gloves and silk-beaded mitts to be worn as adornments, each design has an unexpected twist. Because they are small, quick to make, and don ' t require a lot of yarn, mittens and gloves are perfect projects for knitting throughout the year, and they also offer an ideal opportunity for beginning and more seasoned knitters to experiment with new techniques, yarns, and styles. With its fresh, original sensibility, Knitting New Mittens and Gloves will captivate knitters of every level.

Fushimi Tamamo is a fox from the Inari Shrine in Kyoto who longs to try high school life. She transforms into a human girl—but while she thinks she's nailed her disguise, she's a little furrrier than she realized. Adults don't seem to notice, and her classmates pretend not to, but Tamamo is definitely shaking up their ordinary high school life!
