A delightful way to show little ones how their hands are a blessing from God that they can use to do help others. Written in rhyming text and illustrated with the charming art of Gaby Hansen, this simple message of God's blessing of hands not only entertains . . . as it teaches what wonderful things our hands can do from scratching, latching, and petting a pup to washing dishes with mommy and putting toys in a box . . . but it also conveys the important message: We can use God's gift of hands to show our love for Him by helping others. The book ends tenderly with a prayer of thanks to God for hands and asks

Based on the Hermie and Friends™ film by the same name, Webster, the Scaredy Spider is Max Lucado's latest character to enter the garden. With little regard to the "Garden Treaty of '85," cute little Webster wanders into the garden to face his long list of fears: leaving home, other insects, talking in front of others, meeting new people, big lizards, water, heights, flying through the air, dark places . . . But little does he know, he is a big, hairy source of fear for all of the other insects in the garden. With guidance from God (after, of course, getting up the courage to talk to Him), Webster finds a way to face his fears, and in turn, the other insects learn to face Webster. With vividly colorful 3-D art from the film, this story will serve as a light-hearted reminder that God is always by our sides.

Stanley Stinkbug is nervous about going to camp and when he gets nervous he becomes surrounded by a malodorous cloud, but while the other campers are helping him to stay calm, they discover why God gave him his unique trait.

This adorable compilation includes four complete stories from the best-selling Max Lucado's Hermie & Friends™ brand. A \$60 value now available in a new size that's perfect for storytime. Hermie: A Common Caterpillar -- It's about being special. Flo, the Lyin' Fly -- It's about telling the truth. Webster, the Scaredy Spider -- It's about being brave. A unique 8" x 8" board book with a nine-piece puzzle and intriguing lift-a-flaps tell the latest story from Max Lucado's Hermie & Friends™ series. "Stay on the straight path, and it will take you right to my house." Easy directions, right? Well, not when Hermie is the one following them. A perfectly plump pear and a scenic view are only one of the detours that tempt Hermie on his journey. But his good friend Wormie continuously reminds him to stay on the straight path until the two caterpillars finally reach Schneider Snail's party. An entertaining format and 3-D illustrations make this valuable life lesson one that children won't soon forget.
