NOTE: This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books a la Carte also offer a great value; this format costs significantly less than a new textbook. An introduction to developmental science that focuses on applications and research Lifespan Development, Books a la Carte Edition, 8/e provides a thorough overview of developmental science, with a focus on helping students apply their understanding of development to their own lives. With a down-to-earth writing style and an emphasis on how concepts connect to research, authors Denise Boyd and Helen Bee make abstract theoretical material understandable to students. In addition to updated content and the latest research, the 8th Edition includes revised themed essays, each with accompanying journaling activities, that offer opportunities to engage deeply with concepts.

Note: You are purchasing a standalone product; REVEL does not come packaged with this content. Students, if interested in purchasing this title with REVEL, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. Lifespan Development, 6ce provides strong applications, and integrated learning objectives and assessment. Students who want to know "What does current research say?" and "Why is this important?" will appreciate both the applied nature of this text and the clarity and rigor of the authors' presentation of current research. An exceptional pedagogical package that ties the textbook to online REVEL study tools complements the student-centered approach of the book and offers students the benefit of frequent self-assessment.

Provides the most Support for Student Learning and Success Lifespan Development, 7/e by Denise G. Boyd and Helen L. Bee thoroughly and accessibly addresses the most critical concepts of development. Through their engaging writing style, the authors have made more abstract material about developmental theories approachable to students. ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Boyd/Bee, Lifespan Development provides the most support for student learning and student success.
