International Marketing / Edition 15 by Philip Cateora ...
1 International Marketing • International marketing is defined as the performance of business activities designed to plan, price, promote, and direct the flow of a company's goods and services to consumers or users in more than one nations for a profit.

International Marketing Chapter 1 - SlideShare
The recent Philip Morris International ads don't name or directly link to any of the company's products, but they are clearly meant to pitch the IQOS, a device that looks much like an e-cigarette and heats leaf tobacco without burning it, allowing it to deliver nicotine in aerosol form rather than smoke.

International Marketing, 12/e by Cateora and Graham is by far, the best-selling text in the field of International Marketing. The authors continue to set the standard in this edition with an increase in coverage of technology's impact on the international market arena and a more comprehensive website, helping to provide updates to text content in this continually changing field.

The third edition of International Marketing provides a complete introduction to international marketing in the twenty-first century. With up-to-date coverage of all core topics, an accessible writing style and distinct emphasis on culture, this new edition facilitates a deeper understanding of the subject. One of the only books to take a truly international approach, it's an ideal text for students studying international marketing.

International Marketing addresses global issues and describes concepts relevant to all international marketers, regardless of their international involvement. Notwithstanding the extent of global perspective that firms may have, they are affected by the competitive activity in the global marketplace. It is this perspective that the authors bring into this edition of the text. The text focuses on the strategic implications of competition in different markets. The environmental and cultural approach to international marketing permits a truly global orientation. Thus the reader's horizon is not limited to any specific nation but the text provides an approach and framework for identifying and analyzing the important cultural and environmental uniqueness of any nation or global region. Salient Features: ? 10 Indian cases included in the book ? New sections on negative impact of new communication tools, intellectual property rights in the international context, Brexit, inventive international negotiation etc. ? Thoroughly updated data, text, pictures and exhibits across the chapters ? More than 100 new academic articles and their findings integrated and cited across the chapters

In its 5th edition International Marketing guides students to understand the importance of international marketing for companies of every size and how going international can enhance value and growth. It provides a solid understanding of the key principles and practices of international marketing. The text has been thoroughly updated to reflect the most recent developments in the current business environment and encourages students to critically engage with the content within the context of modern life. Key Features: - A new chapter dedicated to Digital and Social Media Marketing - Fully updated pedagogy, including 'Going International' vignettes and End of Chapter questions - Brand new examples and case studies from global and innovative companies including Red Bull, Gillette and Audi - Now includes Interactive activities, Testbank questions and Quizzes available on Connect® International Marketing is available with McGraw Hill's Connect®, the online learning platform that features resources to help faculty and institutions improve student outcomes and course delivery efficiency. "International Marketing continues to be an essential subject in any business or management degree. Ghauri and Cateora's book, now in its fifth edition, provides a most up-to-date and authentic evolution of the subject." George S. Yip, Emeritus Professor of Marketing and Strategy, Imperial College Business School. Professor Pervez Ghauri teaches International Business at Birmingham Business School. He is Founding Editor for International Business Review (IBR) and Consulting Editor for Journal of International Business Studies (JIBS). Philip R. Cateora is Professor Emeritus at the University of Colorado. His teaching spanned a range of courses in marketing and international business from fundamentals through to doctoral level.

Now in its fourth edition, this successful introduction to international marketing has been thoroughly revised, updated and developed throughout to reflect the most recent developments in today's dynamic business environment. Contemporary, engaging and accessible, International Marketing is essential reading for the aspiring practitioner. You will discover: •The importance of international marketing to creating growth and value •The management practices of companies, large and small, seeking market opportunities outside their home country •Why international marketing management strategies should be viewed from a global perspective •The role of emerging economies in today's business environment •The impact of increased competition, changing market structures, and differing cultures upon business Key Features: • An extensive collection of in-depth Case Studies focus upon a diverse range of companies from around the world and are designed to apply understanding and provoke debate. •'Going International' vignettes go beyond the theory and demonstrate international marketing in real life with contemporary and engaging examples. •Further Reading sections have been designed to reflect both the most influential and the most recent studies relating to each chapter acting as a spring board to further study •Key Terms are highlighted

where they first appear and define in the margin for ease of reference to aid understanding. A full Glossary is also provided at the end of the book and online. •A new chapter in response to reviewer feedback dedicated to International Segmentation and Positioning. Professor Pervez Ghauri teaches International Marketing and International Business at King's College London. He has been Editor-in-Chief of International Business Review since 1992 and editor (Europe) for the Journal of World Business, since 2008.

Cateora and Graham's "International Marketing" is far and away the best selling text in the field, with a pioneering approach to making the material accessible and relevant that has become the standard by which other books are judged. Providing a well-rounded perspective of international markets that encompasses history, geography, language, and religion as well as economics, Cateora helps students to see the cultural and environmental uniqueness of any nation or region. The 13th edition reflects all the important events and innovations to affect global business within recent years, while including several new and updated technological learning tools..

Pioneers in the field, Cateora, Gilly, and Graham continue to set the standard in this 18th edition of International Marketing with their well-rounded perspective of international markets that encompass history, geography, language, and religion as well as economics, which helps students see the cultural and environmental uniqueness of any nation or region. The dynamic nature of the international marketplace is reflected in the number of substantially improved and expanded topics in this 18th, including the following over 100 new academic articles and their findings. All data, text, photos and images have been updated for currency, as has the corresponding content within McGraw-Hill Education's Connect with adaptive SmartBook. Additional updates include:NEW Cases: New cases accompany the 18e, enlivening the material in the book and class discussions while broadening a student's critical thinking skills. These cases bring forth many of the topics discussed in the chapters and demonstrate how these concepts are dealt with in the real world. These cases can be assigned in Connect and SmartBook. Optionally, a case booklet can be create using McGraw-Hill CREATE. Crossing Borders Boxes: These invaluable boxes offer anecdotal company examples. These entertaining examples are designed to encourage critical thinking and guide students through topics ranging from ethical to cultural to global issues facing marketers today. 4-Color Design: New color maps and exhibits allow for improved pedagogy and a clearer presentation of international symbols and cultural meanings in marketing and advertising. In addition, photos that depend on full color for maximum impact easily bring many global examples to life.

The undisputed leader in international marketing, this book pioneered the environmental/cultural approach to the field. It concentrates on explaining how a nation's culture and environment should be central to any marketing strategy. Hot topics are also emphasized, including Strategic International Alliances, Green Marketing, TQM, the Japanese distribution system, NAFTA, the Commonwealth of Independent States, and much more.
