Regina's Calcaterra memoir, *Etched in Sand*, is an inspiring and triumphant coming-of-age story of tenacity and hope. Regina Calcaterra is a successful lawyer, New York State official, and activist. Her painful early life, however, was quite different. Regina and her four siblings survived an abusive and painful childhood only to find themselves faced with the challenges of the foster-care system and intermittent homelessness in the shadows of Manhattan and the Hamptons. A true-life rags-to-riches story, *Etched in Sand* chronicles Regina's rising above her past, while fighting to keep her brother and three sisters together through it all. Beautifully written, with heartbreaking honesty, *Etched in Sand* is an unforgettable reminder that regardless of social status, the American Dream is still within reach for those who have the desire and the determination to succeed.

In the highly anticipated sequel to her New York Times bestseller *Etched in Sand*, Regina Calcaterra pairs with her youngest sister Rosie to tell Rosie's harrowing, yet ultimately triumphant, story of childhood abuse and survival. They were five kids with five different fathers and an alcoholic mother who left them to fend for themselves for weeks at a time. Yet through it all they had each other. Rosie, the youngest, is fawned over and shielded by her older sister, Regina. Their mother, Cookie, blows in and out of their lives "like a hurricane, blind and uncaring to everything in her path." But when Regina discloses the truth about her abusive mother to her social worker, she is separated from her younger siblings Norman and Rosie. And as Rosie discovers after Cookie kidnaps her from foster care, the one thing worse than being abandoned by her mother is living in Cookie's presence. Beaten physically, abused emotionally, and forced to labor at the farm where Cookie settles in Idaho, Rosie refuses to give in. Like her sister Regina, Rosie has an unfathomable strength in the face of unimaginable hardship—enough to propel her out of Idaho and out of a nightmare. Filled with maturity and grace, Rosie's memoir continues the compelling story begun in *Etched in Sand*—a shocking yet profoundly moving testament to sisterhood and indomitable courage.

From Ty McCormick, winner of the Robert F. Kennedy Journalism Award, an epic and timeless story of a family in search of safety, security, and a place to call home. When Asad Hussein was growing up in the world's largest refugee camp, nearly every aspect of life revolved around getting to America—a distant land where anything was possible. Thousands of displaced families like his were whisked away to the United States in the mid-2000s, leaving the dusty encampment in northeastern Kenya for new lives in suburban America. When Asad was nine, his older sister Maryan was resettled in Arizona, but Asad, his parents, and his other siblings were left behind. In the years they waited to join her, Asad found

Online Library By Regina Calcaterra Etched In Sand A True Story Of Five Siblings Who Survived An Unspeakable Childhood On Long Island 772013

refuge in dog-eared novels donated by American charities, many of them written by immigrants who had come to the United States from poor and war-torn countries. Maryan nourished his dreams of someday writing such novels, but it would be another fourteen years before he set foot in America. The story of Asad, Maryan, and their family's escape from Dadaab refugee camp is one of perseverance in the face of overwhelming adversity. It is also a story of happenstance, of long odds and impossibly good luck, and of uncommon generosity. In a world where too many young men are forced to make dangerous sea crossings in search of work, are recruited into extremist groups, and die at the hands of brutal security forces, Asad not only made it to the United States to join Maryan, but won a scholarship to study literature at Princeton—the first person born in Dadaab ever admitted to the prestigious university. Beyond the Sand and Sea is an extraordinary and inspiring book for anyone searching for pinpricks of light in the darkness. Meticulously reported over three years, it reveals the strength of a family of Somali refugees who never lost faith in America—and exposes the broken refugee resettlement system that kept that family trapped for more than two decades and has turned millions into permanent exiles.

* NEW YORK TIME BEST SELLER* Imagine yourself a thirteen-year-old hundreds of miles away from home, in a strange city, and your mom leaves you at a bus station parking lot and drives off into the night with her lover. That's the real life story of country music star Jimmy Wayne. It's a miracle that Jimmy survived being hungry and homeless, bouncing in and out of the foster care system, and sleeping in the streets. But he didn't just overcome great adversity in his life; he now uses his country music platform to help children everywhere, especially teenagers in foster care who are about to age out of the system. Walk to Beautiful is the powerfully emotive account of Jimmy's horrendous childhood and the love shown him by Russell and Bea Costner, the elderly couple who gave him a stable home and provided the chance to complete his education. Jimmy says of Bea, "She changed every cell in my body." It also chronicles Jimmy's rise to fame in the music industry and his Meet Me Halfway campaign: his walk halfway across America, 1,700 miles from Nashville to Phoenix, to raise awareness for foster kids. Join Jimmy on his walk to beautiful and see how one person really can make a difference. ENDORSEMENTS "If your story could use a better chapter, take inspiration from Jimmy's." —Max Lucado, New York Times Best-Selling Author "It reads like a movie to me, and if so, I'll be the first one in a seat to see it." —Dolly Parton "Walk to Beautiful will open your eyes to the hurting people around you." —Frank Harrison, Chairman and CEO, Coca-Cola Bottling Co. Consolidated; Chairman and Cofounder, With Open Eyes

Incest. Abandonment. Crime. Betrayal . . . the integral elements of Sandy Wilson's life. Born of incest to a brother and sister, then abandoned to the care of her grandparents, Sandy learned to forage in dumpsters for food, to dupe government caregivers, and to defraud insurance companies. When she was six-years-old, her father returned from prison. Within hours, he had molested her and reestablished himself as the head of the family. Sandy became his criminal accomplice and his sexual partner. She accompanied him on countless burglaries throughout the Pacific Northwest. Through the years, she knew that her father ducked FBI raids, murdered two teen-age hitchhikers, sweet-talked prostitutes into his bed while molesting their daughters, and committed crimes with other accomplices. Somehow, he avoided capture or prosecution. After a decade of his brutal enslavement and her grandmother's silent complicity, Sandy emancipated in the only way she knew - with cunning and violence. Determination. Hope. Self-preservation . . . the enduring elements of Sandy Wilson's survival.

Her mother called her "laundry lady," "stupid," and "slut" so often that Christina Meredith rarely heard her own name as she grew up. Now Christina devotes her name to protecting abused and neglected children so no one has to have a childhood like hers. Born into a large working-class family in upstate New York, Christina endured years of psychological and physical abuse before entering the foster care system as a teenager. With nowhere to turn after she graduated high school, Christina lived in her car for almost a year, working three jobs to survive. As she read her Bible in her car every day, always looking over her shoulder for her birth mother, Christina had no idea that in just a few years she would be crowned Ms. California. She had no idea that her suffering would one day help others find their own healing. She did know God was faithful. And she never gave up hope for a better life. In CinderGirl, Christina tells her incredible story of leaving behind abuse and homelessness to become Ms. California and the founder of the Christina Meredith Foundation, a nonprofit organization that provides support for foster care girls living in abusive situations. With stunning vulnerability, Christina invites us into her childhood home and the heart of a child longing to be loved. She asks us to journey with her across the country and deep into a growing faith. She invites us to know more fully a God who provides, even in the most difficult situations. CinderGirl is a gripping and inspiring story of one young woman's determination to overcome hardship in order to help others know they are not alone and they too can find wholeness after tragedy.

In this story of perseverance in the face of adversity, Regina Calcaterra recounts her childhood in foster care and on the streets—and how she and her savvy crew of homeless siblings managed to survive years of homelessness, abandonment, and abuse. Regina Calcaterra's emotionally powerful memoir reveals how she endured a series of foster homes and intermittent homelessness in the shadow of the Hamptons, and how she rose above her past while fighting to keep her brother and three sisters together. Beautifully written and heartbreakingly honest, Etched in Sand is an unforgettable reminder that the American dream is still within reach for those who have the desire and the determination to succeed, regardless of social status.

AN AMAZON BEST BOOK OF THE MONTH. For readers of Room and The Glass Castle, an astonishing memoir of one woman rising above an unimaginable childhood. Maude Julien's parents were fanatics who believed it was their sacred duty to turn her into the ultimate survivor--raising her in isolation, tyrannizing her

Online Library By Regina Calcaterra Etched In Sand A True Story Of Five Siblings Who Survived An Unspeakable Childhood On Long Island 772013

childhood and subjecting her to endless drills designed to "eliminate weakness." Maude learned to hold an electric fence for minutes without flinching, and to sit perfectly still in a rat-infested cellar all night long (her mother sewed bells onto her clothes that would give her away if she moved). She endured a life without heat, hot water, adequate food, friendship, or any kind of affectionate treatment. But Maude's parents could not rule her inner life. Befriending the animals on the lonely estate as well as the characters in the novels she read in secret, young Maude nurtured in herself the compassion and love that her parents forbid as weak. And when, after more than a decade, an outsider managed to penetrate her family's paranoid world, Maude seized her opportunity. By turns horrifying and magical, *The Only Girl in the World* is a story that will grip you from the first page and leave you spellbound, a chilling exploration of psychological control that ends with a glorious escape.

"A sweeping historical love story that hits all the marks." -Publisher's Weekly starred review Your feet will bring you to where your heart is. Ireland 1846. With Ireland ravaged by famine and England unsympathetic to its plight, Kathleen Deacey faces a devastating choice - leave her country to find work or risk dying there. Despising the English for refusing to help Ireland, she crosses the ocean to support her family and search for her missing fiancé. But when her voyage goes awry, she must accept help from an English whaling captain, Jack Montgomery, who represents everything she despises - and with whom she is reluctantly falling in love. As Kathleen fights to save her family in Ireland, she finds herself facing yet another devastating choice - remain loyal to her country or follow her heart. Award-winning author Pamela Ford captures the anguish of a devastating period in Irish history and delivers an historical saga of hope, loyalty, the strength of the human spirit, and the power of love. With more than a half million copies of her books sold worldwide, she is known for creating stories that are emotional and moving. Gold Medal Winner, IPPY Awards · Finalist, National Readers' Choice Awards · Finalist, Maggie Awards for Excellence · Finalist, Kindle Book Awards Praise for *To Ride a White Horse*: 5 STARS. "Expertly drawn characters that stole my heart. The writing is superb...a larger than life novel...captivating, breathtaking." -A Night's Dream of Books? 5 STARS. "Endearing...pulls you in from the first page and never loses momentum." -Mom in Love with Fiction? 5 STARS. "I absolutely loved it...it was hard to put down." -Ms Nose in a Book? 5 STARS. "So long as there are books this good, I shall continue to shun TV...a hearty recommendation to get this book." -Gspotsylvania 5 STARS. "The story line was riveting, and the characters were fresh, well-developed, and enticing." -Books and Bindings? 5 STARS. "I loved *To Ride a White Horse*...it was written beautifully...I fell in love with Kathleen and Jack." -Books like Breathing? 5 STARS. "A page turner...a wonderful story of personal choices, tragedy, kindness, forgiveness, and the power of faith and love!" -Rockin' Book Reviews 5 STARS. "I read the first chapter and was hooked. I didn't want to stop." -Every Free Chance blog? "Utterly compelling...I found myself caring about the characters in big ways...unable to put it down." -Novel Escapes "Wonderful... Ford writes with a lyrical quality that sweeps you into the story...a lovely story." -All the Reads "A superbly crafted romance/adventure novel...highly recommended." -Midwest Book Review

A heart-rending but uplifting story of the human spirit's ability to prevail. From the day he is five-years-old and dropped off at his foster home of the next eleven years, Stephen is mentally and physically tortured. No one in the system can help him. No one can tell him if he has a family. No one can tell him why, with obvious African-American features, he has the last name of Klakowicz. Along the way, a single faint light comes only from a neighbor's small acts of kindness and caring—and a box of books. From one of those books he learns that he has to fight in any way he can—for victory is in the battle. His victory is to excel in school. Against all odds, the author succeeded. He attended college, graduated, became a successful corporate executive, and married a wonderful woman with whom he established a loving family of his own. Through it, he dug voraciously through records and files and found his history, his birth family—and the ultimate disappointment as some family members embrace him, but others reject him. Readers won't be the same after reading this powerful story. They will share in the hurts and despair but also in the triumph against daunting obstacles. They will share this story with their family, with their friends, with their neighbors.
