This book was written with the black, African American,

Where To Download Carpentry How To Guide

carpenter in mind. There are many books out there about construction but none that talk about the issues that confront the black carpenters. The subject matter in this book is laid out in a well thought out and progressive manner. Many hours of dedication and care have gone into its completion. It starts with developing the right mindset. From this foundation all the necessary character traits essential for success in the construction field are explained clearly in simple language. Next we explore the Black Contractors Association and the resources available for innercity black men and women seeking training in the construction trades. Since its conception its goal has been the training of master builders and tradesmen from the labor pool of black communities. Learn about apprenticeship training and the differences
