Would you kill for love? True-crime master Ron Franscell tells the grisly story of Alice and Gerald Uden, a loving couple who murdered at least four people, and live happily ever after--while cops try for decades to piece together a petrifying tale of murder and secrets. The appalling details are made even more vivid by the author's familiarity with the Wyoming times and places that formed the backdrop of his national bestseller *The*

# Read Free Casper Wyoming Wy Warrant Search

Darkest Night. In 1974, Alice, a desperate young mother in a gritty Wyoming boomtown, kills her husband and dumps his body where it will never be found, then slips away and starts a new life. But when her new man's ex-wife and two kids start demanding more of him, Alice delivers an ultimatum: Fix the problem or lose her forever. With Alice's help, Gerald "fixes" the problem in an extraordinarily ghastly way . . . and they live happily ever after. That is, until 2013, almost forty years later, when somebody finds a dead man's skeleton in a place where Alice thought he'd never be found. This page-turner

book with fellow officers.

The Encyclopaedia of Serial Killers, Second Edition provides accurate information on hundreds of serial murder cases - from early history to the present. Written in a non-sensational manner, this authoritative encyclopaedia debunks many of the myths surrounding this most notorious of criminal activities. New major serial killers have come to light since the first edition was published, and many older cases have been solved (such as the Green River Killer) or further investigated (like Jack the Ripper
