The second book in Suzanne Collins's phenomenal and worldwide bestselling Hunger Games trilogy.

The third instalment to the global #1 bestselling series. As the King of Adarlan's Assassin, Celaena Sardothien is bound to serve the tyrant who slaughtered her dear friend. But she has vowed to make him pay. The answers Celaena needs to destroy the king lie across the sea Wendlyn. And Chaol, Captain of the King's Guard, has put his future in jeopardy to send her there. Yet as Celaena seeks her destiny in Wendlyn, a new threat is preparing to take to the skies. Will Celaena find the strength not only to win her own battles, but to fight a war that could pit her loyalties to her own people against those she has grown to love? This third novel in the THRONE OF GLASS sequence, from global #1 bestselling author Sarah J. Maas, is packed with more heart-stopping action, devastating drama and swoonsome romance, and introduces some fierce new heroines to love and hate.

Includes 3 brand new essays on Gale, the Games, and Mockingjay! **Already read the first edition of The Girl Who Was on Fire? Look for The Girl Who Was on Fire - Booster Pack to get just the three new essays and the extra movie content.** Katniss Everdeen's adventures may have come to an end, but her story continues to blaze in the hearts of millions worldwide. In The Girl Who Was on Fire - Movie Edition, sixteen YA authors take you back to the world of the Hunger Games with moving, dark, and funny pieces on Katniss, the Games, Gale and Peeta, reality TV, survival, and more. From the trilogy's darker themes of violence and social control to fashion and weaponry, the collection's exploration of the Hunger Games reveals exactly how rich, and how perilous, Panem, and the series, really is. • How does the way the Games affect the brain explain Haymitch's drinking, Annie's distraction, and Wiress' speech problems? • What does the rebellion have in common with the War on Terror? • Why isn't the answer to “Peeta or Gale?" as interesting as the question itself? • What should Panem have learned from the fates of other hedonistic societies throughout history—and what can we? "Its publication should be a major event for cognitive linguistics and should pose a major challenge for cognitive science. In addition, it should have repercussions in a variety of disciplines, ranging from anthropology and psychology to epistemology and the philosophy of science. . . . Lakoff asks: What do categories of language and thought reveal about the human mind? Offering both general theory and minute details, Lakoff shows that categories reveal a great deal."—David E. Leary, American Scientist

A website development pioneer gives business owners—from tech savvy to beginner—the tools, knowledge, and tactics to succeed in today’s online economy. If your company is building a new website, you’re certainly thinking about content and design. But don’t forget performance, especially if you need your website to generate business leads and sales. Wordpress Websites for Business guides you through the process of building a website that will sustain and grow your company. Using the techniques detailed in this book I am currently bringing in more than one million dollars’ worth of leads a month for one of my clients. I have used most of the top content management systems and built many custom CMS systems myself. From my experience, I can say that Wordpress is the most effective tool available to build your company’s website and bring in leads and sales for your business. However, if used incorrectly, it can actually hurt your company. I’ve seen it happen, and the effects can be devastating. The good news is that there’s a better way. In an easy-to-follow, step-by-step program, this book will tell you what you need to do to avoid the pitfalls while ensuring maximum exposure, search engine rankings, and conversions (sales)! This powerful book features: game changing checklists and resources; simple settings that only take a few minutes, but can make a huge difference in website performance; the best Wordpress plugins and services to optimize your site and maximize leads; the best Wordpress themes that enable you to build an up-to-date website that performs for you; content creation hacks such as how to map your business goals directly to your content; Wordpress best practices simplified, such as why and how to create a child theme; the tools and techniques that drop your page load times to less than two seconds; and much more . . . The strategies and tactics I present in Wordpress Websites for Business will result in more leads and sales for your company, and that’s what it’s all about.

"Superb....[A] richly researched, passionately written book."--William E. Cain, Boston Globe Widely acknowledged as the definitive history of the era, Henry Mayer's National Book Award finalist biography of William Lloyd Garrison brings to life one of the most significant American abolitionists. Extensively researched and exquisitely nuanced, the political and social climate of Garrison's times and his achievements appear here in all their prophetic brilliance.
