Why, in the last decades of the twentieth century, did industrialized nations witness recurring vast public deficits, even in times of peaceful international relations and economic growth?

Access Free

Chapter 11

The essays in Politics, Institutions, and Fiscal Policy chart answers sought by economists, political scientists, and government officials.

This groundbreaking book looks at states within five industrialized federations-Canadian provinces, Swiss cantons, Belgian regions, German L ä nder, and American states-as case studies of

Access Free

Chapter 11

variation in budget balances since 1980. The work's conclusion compares deficit levels between the federations studied. Politics, Institutions, and Fiscal Policy sheds new light on the role of such factors as spending and taxation levels and electoral and partisan cycles within the budget balancing process. Neatly written

Access Free

Chapter 11

and theoretically grounded, this volume contributes greatly to our understanding of public finance and public administration.

This book examines fiscal policy coordination in EMU and the required adjustments to national fiscal policies by EMU member states. The book shows that, in the process

Access Free

Chapter 11

of Europeanization,
national interests have
had a major impact on
the formation of fiscal
policy coordination.

"Principles of
Macroeconomics is an
adaptation of the
textbook,
Macroeconomics:
Theory, Markets, and

Access Free

Chapter 11

Policy by D. Curtis and I.

Irvine, and presents a complete and concise examination of

introductory

macroeconomics theory and policy suitable for a first introductory course.

Examples are domestic and international in their subject matter and are of the modern era —

financial markets, monetary and fiscal

Access Free

Chapter 11

policies aimed at inflation and debt control, globalization and the importance of trade flows in economic structure, and concerns about slow growth and the risk of deflation, are included.

This textbook is intended for a one-semester course, and can be used in a two-semester sequence with the companion textbook,

Access Free

Chapter 11

Principles of

Microeconomics. The

CSU B

three introductory

chapters are common to

both

textbooks."--BCcampus

website.

Essentials of Economics

is the market leader for

the one-semester survey

course. In just about 400

pages, it provides a solid

introduction to the core

Access Free

Chapter 11

concepts of economics with an emphasis on real-world examples and current events. Essentials has earned its popular success because, unlike other books on the market, it is free of the abstract and complex theory that require more time than this course allows. Instead, the text is clean and concise, with many examples of

Access Free

Chapter 11

significance to students today, including Headlines and Policy Perspectives that use current events to help illustrate the topics discussed. This real-world policy emphasis is a distinctive feature of Schiller ' s text and is integral to its dominance of the survey text market.

Chancellor Angela

Page 41/49

Access Free

Chapter 11

Merkel has dominated German and European politics for almost a decade. Her stellar reputation, sound political and economic management, and popularity inside of Germany resulted in one of the most decisive electoral victories for her conservative parties in postwar Germany—the country can rightfully be

Access Free

Chapter 11

deemed the Merkel Republic. Bringing together German politics experts from both sides of the Atlantic, this volume addresses the campaign, results, and consequences of the 2013 Bundestag election.

Chapters delve into a diverse array of themes, including immigrant-origin and women candidates, the fate of the

Access Free

Chapter 11

small parties, and the prospects for the SPD, the new coalition partner, as well as more general structural trends like the Europeanization and cosmopolitanization of German politics.

Time and Poverty in Western Welfare States suggests the need for a

Access Free

Chapter 11

radical re-think of the theoretical and policy approaches to poverty.

This paper discusses comparison of economic and social indicators in the year 1988 between Federal Republic of Germany (FRG) and German Democratic Republic (GDR). The budgetary costs of unification will be

Access Free

Chapter 11

substantially larger than initially envisaged.

Moreover, if one adds to the budget the increases in government debt related to equalization paper, a portion of the old enterprise debt on the books of the banks. The Trust Fund has been assigned a task of enormous scope and complexity: the privatization,

Access Free

Chapter 11

restructuring, and in some cases, liquidation of 8000 enterprises with 4 million employees. Even taking care of the short-run financial problems of these enterprises has proved daunting; the more fundamental task will be near impossible to achieve with any rapidity. It is clearly essential to the success of economic integration that capital

Access Free

Chapter 11

allow east rather than labor flowing west and that income growth and new opportunities are enough to meet reasonable aspirations on the part of the residents of East Germany.
