Mega free trade agreements (FTAs) are being formed to fill the gap created by new developments in global governance and are reshaping the world economic order.

The Trans-Pacific Partnership (TPP) agreement is one of such 21st century FTAs. This book highlights three trade-related issues covered by the TPP that greatly concern emerging countries - investment, intellectual property rights (IPR), and state-owned enterprises (SOEs). It contains rigorous economic, legal, and political analyses on the final text
