Test Prep for Objective Logical Reasoning

Get on the right side of your Law School Admission Test It ’ s an unbreakable rule that to get into the majority of law schools or practice state law anywhere in the U.S., you must pass the dreaded LSAT. Designed to be the most objective measure of student ability available—unlike a much more subjective GPA—it ’ s the ultimate standardized test. This makes it relatively straightforward to prep for, and prep you must! This revised and totally updated new edition of LSAT For Dummies has everything you need to get ready to take – and take down – the LSAT. With it, you ’ ll make an irrefutable case why you should be admitted to the school of your dreams. In a friendly, logical style, expert authors Scott and Lisa Hatch — who have coached thousands of students for LSAT success—cover the core concepts, smart strategies, and mental approaches you need to succeed. You ’ ll also find plenty of opportunities to apply your enhanced argumentative muscle, analytical reasoning, and essay-writing and reading comprehension skills in full-length practice tests—all recalibrated in this new edition to account for the new computer-based exam format. Take 3 full-length practice tests (one online) plus additional practice questions Consolidate your knowledge in content review sections Compare your answers to sample answers and explanations Get 1-year access to an online test-bank for further practice With up to forty percent of students failing the LSAT each year, you need a solid study plan to conquer it. This book – with companion practice tests online – has you covered.

Get the competitive edge with the only book authored by one of the nation's top LSAT experts! Finally, the book law school candidates have been waiting for! This powerful new test prep by Dr. Robert Webking, author of REA's successful LSAT Logic Games, analyzes the methodology, reasoning, and question patterns that characterize each section of an actual LSAT exam, including: Logical Reasoning Analytical Reasoning Reading Comprehension Also features an instructive Writing Sample section for in-depth study and review. This comprehensive test prep contains an annotated review and three full-length practice tests with detailed explanations for every answer, a flexible study schedule, and targeted test strategies. The accompanying exclusive Testware CD-ROM contains two practice tests in a timed format with instant scoring and diagnostic feedback. This book is a must for any candidate preparing for the LSAT exam!

Increase your score on the LSAT If you're preparing for law school, your single biggest hurdle is the Law School Admission Test or LSAT. This three and a half hour exam consisting of five multiple choice sections and one timed writing sample can make or break your legal aspirations. Fortunately, LSAT For Dummies, Premier PLUS 2nd Edition—now with access to practice tests online prepares you for the LSAT by giving you proven test-taking strategies and ample practice opportunities. From the book you'll gain the vital tools you need to understand the reasoning behind analytical reasoning, get a handle on logical reasoning, flaunt your talent in the writing section, master reading comprehension, and much more. Plus, go online and study wherever and whenever with free access to additional LSAT practice opportunities; and the ability to create customized practice in the subjects you need to study the most. Includes proven strategies to help you identify common pitfalls and increase your score Lets you test your skills with practice problems for every question type Premier edition offers additional test-taking opportunities online If you're an aspiring lawyer and want to put your best foot forward, LSAT For Dummies, Premier 2nd Edition has you covered.
