New Hampshire, Our Home is a 4th grade history textbook. The outline for this book is based on the New Hampshire Curriculum Frameworks for social studies and teaches civics, economics, geography, and history. The book places the state's historical events in the larger context of our nation's history and has many features such as chapter Key Ideas, New Hampshire Portraits, local images and maps, and timelines that engage students in important people, places, and events that have influenced New Hampshire history.

In the global marketplace, we are all interconnected through the Internet, satellites, and commerce. Understanding how to communicate and work with colleagues from across the globe is critical for your students' future success. That understanding begins with Cultural Studies: An Introduction to Global Awareness. This textbook offers students an overview and insights into cultures around the world. Region by region, it explores how history, geography, religion, economics, and politics combine to create unique and diverse cultures. With this greater understanding of how and why cultures work, students will be able to better interpret trends and events abroad.
