endorsement: “ This book is a chest containing many bright gold and silver coins of wisdom that every Christian can cherish. Among its important messages is the advice to keep one's mind and soul open to Christ. ”

"If you remain in me and my words remain in you, ask whatever you wish, and it will be done for you." John 15:7 You've likely scratched your head over this verse, wondering how literally to take it. Could Jesus have been serious about His over-the-top declaration? Can you really ask for anything? If you think these words can't possibly mean what they say, Craig Hazen wants to reveal the astonishing reality of this promise. You'll learn why Christians hesitate to embrace this powerful statement and how you can put it to work in your life for the sake of God's kingdom. According to the Lord himself, "asking" is the center point of prayer. He wants us to bring our fruit-bearing requests to him boldly and with expectation for the blessing of his answer. He wants to hear our Fearless Prayer!

Another Side of the Coin is worlds apart from most other books that address the controversy surrounding "the Faith Movement" in that it answers the critics of Faith teaching by using quotations from those who have been accused of espousing heretical doctrine. It is primarily a suitable answer to accusations made by Hank Hanegraaff in his 1993 book, Christianity in Crisis. Another Side of the Coin plainly and openly illustrates the teaching of the Word of Faith concerning faith, the Deity of Jesus, the cross, sickness and the believer, prosperity and God's will concerning it...plus much more.
