Jeremy Stull, a Harvard student, studies a Amish family's sense of community and exile and compares it to his own lifestyle as a camper and counselor at a Vermont summer camp.

Having a baby to save a marriage—it ' s the oldest of clich é s. But what if the marriage at risk is a gay one, and having a baby involves a surrogate mother? Pat Faunce is a faltering romantic, a former poetry major who now writes textbooks. A decade into his relationship with Stu, an airline pilot from a fraught Jewish family, he fears he ' s losing Stu to other men—and losing himself in their “ no rules ” arrangement. Yearning for a baby and a deeper commitment, he pressures Stu to move from Manhattan to Cape Cod, to the cottage where Pat spent boyhood summers. As they struggle to adjust to their new life, they enlist a surrogate: Debora, a charismatic Brazilian

immigrant, married to Danny, an American carpenter. Gradually, Pat and Debora bond, drawn together by the logistics of getting pregnant and away from their spouses. Pat gets caught between loyalties—to Stu and his family, to Debora, to his own potent desires—and wonders: is he fit to be a father? In one of the first novels to explore the experience of gay men seeking a child through surrogacy, Michael Lowenthal writes passionately about marriages and mistakes, loyalty and betrayal, and about how our drive to create families can complicate the ones we already have. The Paternity Test is a provocative look at the new “ family values. ”

grandfather. Not expecting her visit, the old gentleman is not in London but is away in the country. A scandal broths in the making When Viscount Desford encounters a lovely waif searching for her grandfather, he feels honor bound to assist her; but dashing about the countryside together, the Viscount must prevent his exasperating charge from bringing him ruin upon herself...and him. In the end, his best idea is to bring Charity to his lifelong best friend Henrietta and that's when the fun and surprises begin... "It all begins when a chivalrous and rich young gallant takes pity on a pathetic poor relation in a neighboring family. Before long he is so entangled in his efforts to help her that every step he takes leads to some hilarious new confusion. The romantic conclusions are not what you may expect, but that adds to the fun."-Publishers Weekly "My favourite historical novelist-stylish, romantic, sharp, and witty. Her sense

of period is superb, her heroines are enterprising, and her heroes dashing. I owe her many happy hours." -Margaret Drabble

A fiercely honest exploration of the risks and rewards of contemporary relationships--and hookups--*Sex with Strangers* embraces the dizzying power of attraction across the spectrum of passion and infatuation. In this fearless collection, lust and loneliness drive a diverse cast of queer and straight characters into sometimes precarious entanglements. Recognizing that any partner is unknowable on some level, Michael Lowenthal writes about how intimacy can make strangers of us all. A newly ordained priest struggles with guilt and longing when he runs into his ex-girlfriend. A woman weighs the cost of protecting her daughter from a man they both adore. A teenage busboy has a jolting brush with a famous musician. A young man tries to salvage a long-distance relationship

while caring for his mentor, an erotic writer dying of AIDS. In edgy, disquieting stories, Lowenthal traces the paths that attraction and erotic encounters take, baffling and rueful as often as electrifying. This fraught and funny volume forces us to grapple with our own subconscious desires and question how well we can ever really know ourselves.

An extraordinary literary debut about a Nigerian boy's secret intersex identity and his desire to live as a girl. Oto leaves for boarding school with one plan: excel and escape his cruel home. Falling in love with his roommate was certainly not on the agenda, but fear and shame force him to hide his love and true self. Back home, weighed down by the expectations of their wealthy and powerful family, the love of Oto's twin sister wavers and, as their world begins to crumble around them, Oto must make drastic choices that will alter the

family's lives for ever. Richly imagined with art, proverbs and folk tales, this moving and modern novel follows Oto through life at home and at boarding school in Nigeria, through the heartbreak of living as a boy despite their profound belief they are a girl, and through a hunger for freedom that only a new life in the United States can offer. *An Ordinary Wonder* is a powerful coming-of-age story that explores complex desires as well as challenges of family, identity, gender, and culture, and what it means to feel whole.

In the first anthology to survey the full range of gay men's autobiographical writing from Walt Whitman to the present, *Gay American Autobiography* draws excerpts from letters, journals, oral histories, memoirs, and autobiographies to provide examples of the best life writing over the last century and a half. Volume editor David Bergman guides the reader chronologically

through selected writings that give voice to every generation of gay writers since the nineteenth century, including a diverse array of American men of African, European, Jewish, Asian, and Latino heritage.

Documenting a range of life experiences that encompass tattoo artists and academics, composers and drag queens, hustlers and clerks, it contains accounts of turn-of-the-century transvestites, gay rights activists, men battling AIDS, and soldiers attempting to come out in the army. Each selection provides important insight on the wide spectrum of ways gay men have defined and lived their lives, highlighting how self-awareness changes an author's experience. The volume includes an introduction by Bergman and headnotes for each of the nearly forty entries. Bringing many out-of-print and hard-to-find works to new readers, this challenging and comprehensive anthology chronicles American gay history

and life struggles over the course of the past 150 years. Finalist, Lambda Book Award for LGBT Anthology, Lambda Literary Foundation

Poor Ken. One snide comment about hockey and Kendra, his girlfriend—or “girlfriend coach”—asks him not to call her anymore. How can he win her back? By using his rent money to buy a fortune in hockey equipment and skating with the aging Wildcats. But it ’ s never that simple, because all of his teammates, Ivan the terrible landlord, Mittens the stray cat, and Franka the sexy scorekeeper are out to get him—all in their own special ways.

Intelligence is, by definition, a shadowy business. Yet many aspects of this secret world are now more openly analyzed and discussed, a trend which has inevitably prompted lively debate about intelligence

Bookmark File PDF Charity Michael Lowenthal

gathering and analysis: what should be allowed? What boundaries, if any, should be drawn? And what changes and challenges lie ahead for intelligence activities and agencies? In this compelling book, leading intelligence scholar Mark Lowenthal explores the future of intelligence. There are, he argues, three broad areas – information technology and intelligence collection; analysis; and governance – that indicate the potential for rather dramatic change in the world of intelligence. But whether these important vectors for change will improve how intelligence works or make it more difficult remains to be seen. The only certainty is that intelligence will remain an essential feature of statecraft in our increasingly dangerous world. Drawing on the author's forty years' experience in U.S. intelligence, *The Future of Intelligence* offers a broad and authoritative starting point for the ongoing debate about what intelligence could be and
