This text addresses the presidency in the full range of its functions. It examines presidential personality, decision making, crisis management, and coalition building.

Do you want to just sell books or be a life-changing author? As an author, you are the Chief Executive Officer for the entity that you have created, your book. Just as corporate CEOs are responsible for making sure that the products and services offered by their companies maximize profits, the author is responsible

## Get Free Chief Executive

for the same. As an author, you are in charge. You determine how successfully your book will be.

Unfortunately, most authors do not have the resources that corporate CEOs have.

However, that does not relieve you, as the author, of this responsibility. You must make your book successful. You can be an author that sells a few books at vendor events or you can be a Chief Executive Author (CEA) who touches and changes lives through the powerful messages you deliver in your books and other products. Being a CEA is about having passion and getting your life-changing

product innovations in driving shareholder value growth \* Establish a reinvestment advantage that is difficult for competitors to match \* Sustain superior performance over time In addition, the reader will learn the: \* Common mistakes that prevent most management teams from maximizing profitable growth and shareholder value \* Specific actions that all senior managers can take to materially change sustainable performance of their corporation

The dramatic and penetrating story of the political maneuverings and

## Get Free Chief Executive

personalities behind the creation of the office of the president, with ramifications that continue to this day. For the first time, by focusing closely on the dynamic give-and-take at the Constitutional Convention, Ray Raphael reveals how politics and personalities cobbled together a lasting, but flawed, executive office. Remarkably, the hero of this saga is Gouverneur Morris, a flamboyant, peg-legged delegate who pushed through his agenda with amazing political savvy, and not a little deceit. Without Morris's perseverance, a much weaker American

## Get Free Chief Executive

president would be appointed by Congress, serve for seven years, could not be reelected, and have his powers tightly constrained. Charting the presidency as it evolved during the administrations of Washington, Adams, and Jefferson, Raphael shows how, given the Constitution's broad outlines, the president's powers could easily be augmented but rarely diminished. Today we see the result—an office that has become more sweeping, more powerful, and more inherently partisan than the framers ever intended. And the issues of 1787—whether

# Get Free Chief Executive

the Electoral College, the president's war powers, or the extent of executive authority—continue to stir our political debates.
