Western cowboys joined the round-ups and served on the ranch crews in the cattleman era of the West. Lured by the open range, the chance for regular wages, and the opportunity to start new lives, they made vital contributions to the transformation of the West. They, their predecessors, and their successors rode on the long cattle drives, joined the cavalry, set up small businesses, fought on both sides of the law. Some of them became famous: Jim Beckwourth, the mountain man; Bill Pickett, king of the rodeo; Cherokee Bill, the most dangerous man in Indian Territory; and Nat

More characteristic was Love's claim: "I carry the marks of fourteen bullet wounds on different parts of my body, most any one of which would be sufficient to kill an ordinary man, but I am not even crippled". In 1876 a virtuoso rodeo performance in Deadwood, Dakota Territory, won him the moniker of Deadwood Dick. He

This vivid autobiography includes encounters with Bat Masterson and Billy the Kid, a soon-after view of the Custer battlefield, and a successful courtship. Love left the range in 1890, the year of the official closing of the frontier. Then, as a Pullman train conductor he traveled his old trails, and those good times bring his story to a satisfying end.
