Choose Yourself – Building a world where gender equity reigns

Choosing yourself is the only way to thrive in the world. You can only know yourself and your own reactions, so this is the only truly accurate compass you will ever have. You can't steer by what other people want or need, and it will make you crazy trying to figure out what that is anyway. Learn to check in with yourself.

I Choose Me (and Why You Should Choose Yourself)

You might have trouble choosing yourself because it seems selfish or uncaring. However, you can put yourself first and consider other people's needs as well. I'm not suggesting that you never think about or attend to other people's needs. Adult relationships should have a give and take.

Choose Yourself: You Matter - Live Well with Sharon Martin

Choose Yourself Summary "I have to count the things that are abundant in my life. Literally count them. If I don't they will begin to disappear". "There's a saying, "The learned man aims for more. But the wise man decreases. And then decreases again". "

Book Summary: Choose Yourself by James Altucher

Choose Yourself is an easy and quick read, thanks to James's casual style and engaging personal story. Every day, I choose myself through my writing, this website, and in many other ways. It's all because of this man and his work. Read. This. Book. What else can you learn from the blinks?

It's on you to make the most important decision in your life: Choose Yourself. New tools and economic forces have emerged to make it possible for individuals to create art, make millions of dollars and change the world without "help." More and more opportunities are rising out of the ashes of the broken system to generate real inward success (personal happiness and health) and outward ...

Choose Yourself!: Altucher, James, Costolo, Dick...

Why the name "Choose Yourself" -- A message from our founder Like many African women, I grew up in a very patriarchal society, bounded in a culture where girls are taught since the young age to perform for society. As Chimamanda Ngozi Adichie said: "We teach girls to shrink themselves, to make themselves smaller.

Who we are -- Choose Yourself

Choose Yourself is an excellent book that proves to be motivating, inspiring, and even a bit enlightening. The book is an easy and enjoyable read and could very well be the start of a movement – The Choose Yourself Movement. Altucher exposes much about his own life (mostly the failures) throughout the book.

Choose yourself | James Altucher | TEDxSanDiego - YouTube

In order to develop a "choose yourself" mental attitude, you need to take care of your four bodies: the physical, the mental, the emotional, and the spiritual.

Choose Yourself PDF Summary - James Altucher | 12min Blog

The Choose Yourself Guide to Wealth is essentially all about money: making it, growing it, keeping it, in America today. It's about building wealth, investing, business, and finance. It's about the new rules of retirement, entrepreneurship, investing, and preserving wealth.

The Choose Yourself Books - Choose Yourself Financial

Choosing you means you will protect yourself and your space, and not consistently put yourself into a situation which erodes your mental health and gnaws away at your emotional well-being.

The world is changing. Markets have crashed. Jobs have disappeared. Industries have been disrupted and are being remade before our eyes. Everything we aspired to for "security," everything we thought was "safe," no longer is: College. Employment. Retirement. Government. It's all crumbling down. In every part of society, the middlemen are being pushed out of the picture. No longer is someone coming to hire you, to invest in your company, to sign you, to pick you. It's on you to make the most important decision in your life: Choose Yourself. New tools and economic forces have emerged to make it possible for individuals to create art, make millions of dollars and change the world without "help." More and more opportunities are rising out of the ashes of the broken system to generate real inward success (personal happiness and health) and outward success (fulfilling work and wealth). This book will teach you to do just that. With dozens of case studies, interviews and examples—including the author, investor and entrepreneur James Altucher's own heartbreaking and inspiring story—Choose Yourself illuminates your personal path to building a bright, new world out of the wreckage of the old.

"The world is changing. Markets have crashed. Jobs have disappeared. Industries have been disrupted and are being remade before our eyes. Everything we aspired to for "security," everything we thought was "safe," no longer is: College. Employment. Retirement. Government. It's all crumbling down. In every part of society, the middlemen are being pushed out of the picture. No longer is someone coming to hire you, invest in your company, to sign you, to pick you. It's on you to make the most important decision in your life: Choose Yourself." -Cover.

This is a bold book by James Altucher because he not only gives you a new map for the new financial landscape, but he also has skin in the game. This is the first financial book in which the author REVEALS HOW HE, PERSONALLY, MAKES HIS OWN MONEY. We are living in an epic period of change, danger and opportunity. The economy is crashing and booming every few years. People are getting fired and replaced by computers and Chinese workers. The stock market crashes with regularity. Every "fix" from the government makes things worse. The Old World has been demolished... and people are desperate for answers. James Altucher's "The Choose Yourself Guide To Wealth" contains those answers. This is the field guide to the "New World" we live in. You can play by the old rules and get left behind, or you can use these new ideas and become wealthy. This is not a book for the faint of heart. Read at your own risk, because sometimes the truth is hard to take. But for those who are ready to hear, James provides an updated map of the new territory for generating wealth and freedom. This book is the eye-opener of the century, it is the guide to building, keeping, and investing your money and breaking free from the chains of rusted, old thinking.

Joseph C. Parker, radio host of "Program Your Life Radio" airing in 30 countries bi-weekly. The show focuses on creating a positive media source in our negative media world. Joe is also a full-time, cyber-security expert for the U.S. Navy. After spending 25 years in high technology, Joe set out to transform the media industry with ideas gained from PSYCH-K, PSI Seminars, Andy Dooley, Bob Proctor, and Burklyn Global. In his new book Rise of the Chosen Ones, Joe uses the transformational ideas to help people transforms their lives and choose themselves for the greatness they were destined for.

Choose Yourself is a celebration that challenges women to stop standing on the sidelines of their own existence, urging them to resolve prohibiting issues and live the fullest life to which they are destined. This page-turner teaches crucial principles toward self-validation and achieving a myriad of successes stemming from the power of forgiveness and personal purpose. Choose Yourself promotes a sense of authority, appreciation, and boldness toward the future.

"No" is sometimes the hardest word to say. It's also the most necessary. How many times have you heard yourself saying yes to the wrong things—overwhelming requests, bad relationships, time-consuming obligations? How often have you wished you could summon the power to turn them down? This lively, practical guide helps you take back that power—and shows that a well-placed No can not only save you time and trouble, it can save your life. Drawing on their own stories as well as feedback from their readers and students, James Altucher and Claudia Azula Altucher clearly show that you have the right to say no. To anything that is hurting you. To standards that no longer serve you. To people who drain you of your creativity and expression. To beliefs that are not true to the real you. It's one thing to say no, the authors explain. It's another thing to have the Power of No. When you do, you will have a stronger sense of what is good for you and the people around you, and you will have a deeper understanding of who you are. And, ultimately, you'll be freed to say a truly powerful "Yes" in your life—one that opens the door to opportunities, abundance, and love.

A Simple Path to Make Sure You Eliminate Negative Thinking and Don't Let Others Put You Down Anymore!

In a career that spanned nearly five decades, Dorothy Fields penned the words to more than four hundred songs, among them mega-hits such as "On the Sunny Side of the Street," "I Can't Give You Anything But Love," "The Way You Look Tonight," and "If My Friends Could See Me Now." While Fields's name may be known mainly to connoisseurs, her contributions to our popular culture—indeed, our national consciousness—have been remarkable. In Pick Yourself Up, Charlotte Greenspan offers the most complete, serious treatment of Fields's life and work to date, tracing her rise to prominence in a male-dominated world.

I've reinvented my career, my interests, my life, many times over the past twenty years. This is the book I wish I had at the beginning of that long and often volatile journey. I found when I outsourced my self-esteem to only one outcome, disaster resulted. Reinvention was the key to ensuring that the outcomes in life were positive ones. And now the entire world: technology, governments, the shifting landscapes of opportunity and success, are all turning upside down, forcing us to reinvent as individuals and as a culture. Along my own journey I have read and encountered dozens of other successful leaders, artists, entrepreneurs, and mentors who I have learned the art of reinvention from. The journey has been intense. The obstacles were hard fought. And the adventures that led to me now finally sharing it all in this book has been both painful and exhilarating. I describe specific techniques, share stories, tell the stories of others, and give the ultimate guide to not only how but why it is critical for people to master the skills of reinvention. What I've learned: change is the only constant. Companies decay, technologies disappear, governments change, relationships change and opportunity is a shifting landscape. Reading the stories and learning the critical skills taught in Reinvent Yourself is how I found my own way through the chaos of change and onto the path of new opportunity and success. Again, this is the book I wish I had in my hands twenty years ago although I am glad that I am writing it now.
