Coco Chanel, Audrey Hepburn, Grace Kelly. . . . Each of these women had an influential take on the most classic wardrobe staple of all: the Little Black Dress. In this chic sewing book, patternmaker Dolin Bliss O'Shea pulls inspiration from famous LBDs throughout history—including Mary Quant's mod mini, a classic wrap dress worn by Liza Minelli, Princess Diana's smart A-line, and more—and offers patterns for reinterpreted versions that are perfectly stylish. Including 10 full dress patterns with sewing variations to make 20 garments in all, a primer on sewing techniques, vintage photographs of style icons, and full-color shots of the finished pieces, this book has everything fashionistas need to bring timeless style right into their closets.

A volume of magnificent proportions, Art + Fashion is as exciting and elegant as the creative partnerships it celebrates. Spanning numerous eras, men and women's fashion, and a wide range of art mediums, these 25 collaborative projects reveal the astonishing work that results when luminaries from the art world (such as Pollock, Haring, and Hirst) come together with icons of the fashion world (including Saint Laurent, Westwood, McQueen). From 20th-century legends such as Elsa Schiaparelli and her famous lobster dress painted by Salvador Dalí to 21st-century trailblazers such as Cindy Sherman and her self-portraits in vintage Chanel, these electric and provocative pairings—represented in lavish visuals and thoughtful essays reflecting on the history of each project—brim with the energy and possibility of powerful forces uniting.
