Welcome to the second edition of *Avanti!* In the new edition out priorities remain the same as those of the first edition, to provide an introductory language course that meets the needs of both instructors and learners. Three significant characteristics set *Avanti!* apart from other first-year Italian texts: First, *Avanti!* satisfies students' desire to communicate in everyday situations right from the start and to explore Italy's rich and unique culture in meaningful ways. Second, *Avanti!* responds to instructors' concern that most textbooks attempt to cover

too much material in the first year. We have designed an elementary course that reflects reasonable expectations for the amount of material that most beginning learners can acquire in one year of classroom instruction. Third, the methodology of Avanti! is firmly grounded in current findings of research in second language acquisition and foreign language pedagogy. The materials provide support for instructors, particularly those with limited experience, whose goals are to teach mainly, if not exclusively, in Italian, and to create the student-centered, communicative classroom environment that is promoted by this research. The title Avanti! was chosen to convey the forward-thinking approach of this exciting new program.

A beautifully conceived cookbook representing the best of Italian cooking brought to us by the trusted host of the longest-running

television cooking show in America On Ciao Italia, which has been airing on PBS for more than twenty years, Mary Ann Esposito has taught millions of fans how to cook delicious, authentic Italian dishes. In her previous books, she has shown us how to make a quick meal with just five ingredients, helped us get dinner on the table in just thirty minutes, and encouraged us to slow down and take it easy in the kitchen while re-creating the rich aromas of Italy. Now Mary Ann returns to her family's humble beginnings to bring us a treasure trove of more than 200 time-honored recipes. They represent traditional, everyday foods that she regards as culinary royalty—always admired, respected, and passed down through generations. Even better, they are easy to make and guaranteed to please. You'll be dog-eared the pages to try such classics as: - Sicilian Rice Balls - Spaghetti with Tuna, Capers, and Lemon - Risotto with Dried Porcini Mushrooms -

early hippie culture. Anastasia gives a voice to a generation who are the offspring from the first wave of hippies. A tell-all story of what life was like being a hippie kid. From living in communes to experiencing the spiritual New Age, her story will captivate you. Aside from personal experiences, this book sheds light on the hippie culture itself. Based on her own interpretation, Anastasia weaves a colorful narration of her take on hippie life and the foundation of the hippie culture.
