"From the Bible through Dante and up to Treblinka and Guantánamo Bay, here is a rich source for nightmares." --The New York Times Book Review
Three thousand years of visions of Hell, from the ancient Near East to modern America From the Hebrew Bible's shadowy realm of Sheol to twenty-first-century visions of Hell on earth, *The Penguin Book of Hell* takes us through three thousand years of eternal damnation. Along the way, you'll take a ferry ride with Aeneas to Hades, across the river Acheron; meet the Devil as imagined by a twelfth-century Irish monk--a monster with a thousand giant hands; wander the nine circles of Hell in Dante's *Inferno*, in which gluttons, liars, heretics, murderers, and hypocrites are made to endure crime-appropriate torture; and witness the debates that raged in Victorian England when new scientific advances cast doubt on the idea of an eternal hereafter. Drawing upon religious poetry, epics, theological treatises, stories of miracles, and accounts of saints' lives, this fascinating volume of hellscape illuminates how Hell has long haunted us, in both life and death.

Belonging in the immortal company of the works of Homer, Virgil, Milton, and Shakespeare, Dante Alighieri's poetic masterpiece is a visionary journey that takes readers through the torment of Hell. The first part of Dante's *Divine Comedy* is many things: a moving human drama, a supreme expression of the Middle Ages, a glorification of the ways of God, and a magnificent protest against the ways in which men have thwarted the divine plan. One of the few literary works that has enjoyed a fame both immediate and enduring, *The Inferno* remains powerful after seven centuries. It confronts the most universal values—good and evil, free will and predestination—while remaining intensely

personal and ferociously political, for it was born out of the anguish of a man who saw human life blighted by the injustice and corruption of his times. Translated by John Ciardi With an Introduction by Archibald T. MacAllister and an Afterword by Edward M. Cifelli
