This title is a stunning visual study and rigorous critical analysis of the social trends relating to 'club culture'.

New York: Club Kids is a high impact visual diary of New York City in the 1990s, seen through the eyes of Wallpaper, a central figure within the Club Kids. The Club Kids comprised an artistic and fashion-conscious youth movement that crossed over into the public consciousness through appearances on daytime talk shows, magazine editorials, fashion campaigns, and music videos, planting the seeds for popular cultural trends such as reality television, self-branding, influencers, and the gender revolution. Known for their outrageous looks, legendary parties, and sometimes-illicit antics, The Club Kids were the hallmarks of Generation X and would prove to be the last definitive subculture group of the analog world. The '90s, whose 30th anniversary is quickly approaching, has come to be known as the last discernible and cohesive decade, cherished by those who experienced it and romanticized by those who missed it. The first comprehensive visual document of '90s nightlife and street culture, New York Club Kids grants special access to a dormant world, curated and narrated by someone who participated in the experience. Featuring rare photographs and ephemera, the book culls from the personal archives of various photographers and artists whose recognition is long overdue.

"You Better Work!" is the first detailed study of underground dance music or UDM, a phenomenon that has its roots in the overlap and cross-fertilization of African American and gay cultural sensibilities that have occurred since the 1970s. UDM not only predates and includes disco, but also constitutes a unique performance practice in the history of American social dance. Taking New York City as its geographic focus, "You Better Work!" shows how UDM functions in the lives of its DJs and dancers, and how it is used as the primary identifier of an urban subculture shaped essentially by the relationships between music, dance, and marginality. Kai Fikentscher goes beyond stereotypical images of club and disco to explore the cult and culture of the DJ, the turntable and vinyl recordings as musical instruments, and the vital relationship between music and dance at underground clubs. Including interviews, photographs, and an extensive discography, this ethnographic account tells the story of a celebration of collective marginality through music and dance

"STREET STYLE FASHION DESIGN" book is inspired by all Street Styles. The goal is to develop each style into something modern, young, renewed, street wear style. Street wear is getting very powerful, teenagers, young people and even adults are getting into a world more sporty, casual, practical and wearable in any moment, from day wear to night wear, without loosing that touch of youth and creativity. If You Love Fashion Design - if your looking for a Streetwear Design Book this is the the most Up to Date Men's Streetwear Fashion Design Drawing Book.

A child compares pets in this silly look at cats and dogs. "My cat can sleep. My dog can sleep. My cat can sleep on top of my dog." Simple sentences and whimsical illustrations are ideal for toddlers, preschoolers, and beginning readers.

Drawing comes with several benefits. One of these is the development of fine motor skills that will aid in the completion of tasks involving object manipulation by hand. As your child draws, he/she begins to express what he/she imagines. Objects are given careful details so features are learned. This way, you can understand what your child creates. How are your child's drawing skills now?

Relax, play and colour in the strange world which lives in the Doodle Monkey's head, whatever your age... In "The Weird Colouring Book for Kids of all ages", you will find detailed line art that is perfect for colouring in. Many intricate illustrations (some more complex than others), for you to colour and enjoy. Aliens, skateboarding dogs, weird creatures, animals, odd scenes and strange sayings are among the 50 stunning images found in this gorgeous colouring book that is perfect for children and adults alike.

The first narrative biography of the Bee Gees, the phenomenally popular vocal group that has sold more than 200 million records worldwide -- sales in the company of the Beatles and Michael Jackson. The Bee Gees is the epic family saga of brothers Barry, Robin, and Maurice Gibb, and it's riddled with astonishing highs—especially as they became the definitive band of the disco era, fueled by Saturday Night Fever and crashing lows, including the tragic drug-fueled downfall of youngest brother, Andy. In recent years, a whole new generation of fans has rediscovered the undeniable grooves and harmonies that made the Bee Gees and songs like Stayin' Alive, How Deep is Your Love, To Love Somebody, and I Started a Joke timeless.

The Peruvian Heritage Songbook presents four classic children's songs from Peru for young learners all over the world. Each song is fully illustrated with lyrics and sheet music so children of all ages can sing along at home with the included CD. This book contains a very small sample of the rich musical heritage of Peru. Please enjoy these songs and stories as you begin your journey to learn more about Peruvian music and culture. -Read along in your book while listening to the accompanying recordings. -Sing along with the karaoke tracks while reading the book. -Sing the songs in the book a cappella (voice only) -Play along with shakers, drums, and other instruments -Act out the stories with puppets, props, or costumes -For older children, follow the notes on the sheet music We hope this collection sparks a lifetime of exploration of world music. Stream the audio tracks for all Heritage Series Songbooks at www.montessorimusiclab.com Montessori Music Lab is based in Cambridge, MA and produces educational music content for young people worldwide.
