In this accessible and engaging workbook, Beattie uses her trademark down-to-earth style to offer readers a Twelve Step, interactive program to stop obsessing about others by developing the insight, strength, and resilience to start taking care of themselves.Through hands-on guided journaling, exercises, and self-tests, readers will learn to integrate the time-tested concepts outlined in Codependent No More into their daily lives bysetting and enforcing healthy limitsdeveloping a support system through healthy relationships with others and a higher powerexperiencing genuine love and forgivenessletting go and detaching from others' harmful behaviorsWhether fixated on a loved one with depression, an addiction, an eating disorder, or other self-destructive behaviors, or someone who makes unhealthy decisions, this book offers the practical means to plot a comprehensive, personalized path to hope, healing, and the freedom to be your own best self.

This second revised version offers a group leader's manual updated material. The Christian Codependence Recovery Workbook: From Surviving to Significance takes you through a truth-finding journey to reveal your system of love, life and relationships. It practically addresses the manifest behaviors, emotions and needs of the codependent, while simultaneously introducing the precious truths of God's love. This workbook doesn't just diagnose the problem, but offers the healing principles of the Lord Jesus Christ in a fresh and profound way. When applied, you will have the opportunity to walk in freedom and grace, rather than bondage and control. Above all, this journey allows you to find freedom, purpose and identity in Christ. This book is written for anyone who wants to grow closer to the Lord, and to embrace healthy and whole relationships.

Detach--from codependency in 5-steps. You can say no. You can stop people pleasing and start setting boundaries. You can ask for what you need. You can love and be loved--without sacrifice--by breaking the codependency cycle. The Codependency Recovery Plan empowers you to have healthy, happy interdependent relationships. This actionable 5-step program is designed to help you get in touch with yourself, assert boundaries, and communicate confidently. You'll be free to nurture true intimacy. The 5-steps to break the codependency cycle include: Step 1: Get in Touch with Your "Self"--Learn how to stand on your own two feet. Step 2: Prioritize Self-Care--Show yourself respect by caring for your mind and body. Step 3: Build Boundaries--Take a stand for what feels good to you in life and love. Step 4: Communicate Confidently--Open up about what you think, feel, and need to share with others. Step 5: Get intimate--Experience healthy and joyful connections. You can't change your history with codependency--but you can take charge of your recovery. Starting now.

The healing touchstone of millions, this modern classic by one of America's best-loved and most inspirational authors holds the key to understanding codependency and to unlocking its stultifying hold on your life. Is someone else's problem your problem? If, like so many others, you've lost sight of your own life in the drama of tending to someone else's, you may be codependent--and you may find yourself in this book--Codependent No More.The healing touchstone of millions, this modern classic by one of America's best-loved and most inspirational authors holds the key to understanding codependency and to unlocking its stultifying hold on your life.With instructive life stories, personal reflections, exercises, and self-tests, Codependent No More is a simple, straightforward, readable map of the perplexing world of codependency--charting the path to freedom and a lifetime of healing, hope, and happiness.Melody Beattie is the author of Beyond Codependency, The Language of Letting Go, Stop Being Mean to Yourself, The Codependent No More Workbook and Playing It by Heart.

Pia Mellody creates a framework for identifying codependent thinking, emotions and behaviour and provides an effective approach to recovery. Mellody sets forth five primary adult symptoms of this crippling condition, then traces their origin to emotional, spiritual, intellectual, physical and sexual abuses that occur in childhood. Central to Mellody's approach is the concept that the codependent adult's injured inner child needs healing. Recovery from codependence, therefore, involves clearing up the toxic emotions left over from these painful childhood experiences.

In simple, straightforward terms, Beattie takes you into the territory beyond codependency, into the realm of recovery and relapse, family-of-origin work and relationships, surrender and spirituality. You're learning to let go, to live your life free of the grip of someone else's problems. And yet you find you've just started on the long journey of recovery. Let Melody Beattie, author of the classic Codependent No More, help you along your way. A guided tour past the pitfalls of recovery, Beyond Codependency is dedicated to those struggling to master the art of self-care. It is a book about what to do once the pain has stopped and you've begun to suspect that you have a life to live. It is about what happens next.In simple, straightforward terms, Beattie takes you into the territory beyond codependency, into the realm of recovery and relapse, family-of-origin work and relationships, surrender and spirituality. With personal stories, hard-won insights, and activities, her book teaches the lessons of dealing with shame, growing in self-esteem, overcoming deprivation, and getting past fatal attractions long enough to find relationships that work.

Do you have unbearably low self-esteem? Sometimes shyness paralyzes you and prevents you from doing even the most trivial things. Have you tried to overcome shyness, but always end up feeling that you are worth nothing to anyone, even when your family or friends tell you otherwise? Are your doubts about yourself and your sanity? 7 books in 1: 1. Attachment Theory - Learn the founding principles of attachment theory and what they mean to you and understand how your thoughts and feelings about relationships impact anxious, avoidant, and even secure attachment behaviors. 2. Insecure Attachment - Learn how to overcome anxiety in relationships using compassionate self-awareness, a technique that can help you recognize your negative thoughts or unhealthy behavior patterns and respond to them in a nurturing way--rather than beating yourself up. 3. Codependency - In a crisis, it's easy to revert to old patterns. Caring for your well-being during the coronavirus pandemic includes maintaining healthy boundaries and saying no to unhealthy relationships. Is someone else's problem your problem? If, like so many others, you've lost sight of your own life in the drama of tending to someone else's, you may be codependent. 4. Borderline Personality Disorder - If you've been diagnosed with BPD you may feel a number of emotions-including shock, shame, sadness, abandonment, emptiness, or even anger. Even worse, you may be tempted to research your diagnosis online, only to find doomsday scenarios and terrible prognoses everywhere you click. Take a deep breath. You can get through this--and this workbook will help guide you. 5. Cognitive Behavioural Therapy (CBT) - this technique will teach you how to challenge (and defeat) negative and automatic thoughts, understand how mental patterns are established and block vicious circles. 6. Dialectical Behaviour Therapy (DBT) - This method was originally created to treat individuals who struggle with suicidal thoughts, but has matured into a treatment for many other conditions that involve dysfunctional emotional regulation. 7. Acceptance and Commitment Therapy (ACT) - This therapy focuses on the problem of human suffering - an important factor in achieving a good life. It also has the capability to successfully deal with much deeper issues. You may find yourself talking to yourself in these terms: - There is nothing that I really like about myself. - Only others manage to feel good about themselves. - I am not worthy to look for the things that interest me. - It's all my fault, I can't find people who are good to me. - Good people would never be with someone like me. Over time, negative thoughts can become so frequent that the individual ends up living them as facts. It creates a real vicious circle that is difficult to stop and can prove itself to be dangerous. Nobody is born with high self-esteem: we have to build it. It is never too late to change and free yourself from negativity. Feel good about themselves can be a difficult process, but it's worth it!

Do you have trouble saying "no," or constantly sacrifice your own needs to please others? If so, this evidence-based workbook will help you set healthy boundaries in all aspects of your life--without feeling guilty or afraid. If you find yourself feeling responsible for others' happiness, worrying about letting people down, or struggling to speak up for yourself, you probably have difficulty setting healthy boundaries. Establishing clear personal boundaries is essential to creating and nurturing mutually respectful relationships based on equality. Setting limits can also protect you from getting involved in exploitative relationships, and help you avoid toxic personalities who don't have your best interests at heart. This evidence-based workbook will show you how to set healthy boundaries across all aspects of life--without sacrificing your kindness or compassion for others. You'll learn to define your boundaries and discover why they're so important for your emotional well-being. You'll also find a wealth of tips for maintaining boundaries in a "constantly-connected" world, strategies for what to do when people get upset or threatened by your assertiveness, and ways to make sure your needs are met. If you're tired of feeling guilty or afraid of putting your mental and physical health first, are ready to take back control of your life, and create healthy and balanced relationships, this book will show you how to step up and set limits, assert yourself confidently, and realize your full potential.
