Unrealistic, irritating, slow moving and poorly structured - these are just a few of the terms I'd use to describe Cold Steel, the third book in Kate Elliot's Spirit Salker trilogy. After a solid first two books, my expectations were reasonably high. To say the book didn't live up to them would be a bit of an understatement.

I finished Cold Steel by Kate Elliott the last book of her Spiritwalker trilogy after Cold Magic and Cold fire (tp end June) and I am a little mixed - still loved the writing a lot as the first person narration of Cat continues to be superb but the content was a combination of way too much (over the top with heroine surviving and outsmarting or outright defeating almost everyone from humans to supernatural beings) action and nothing really new as pretty much everything in the book is stuff that

Cold Fire is the middle volume of Kate Elliott's Spiritwalker Trilogy, which picks up shortly after the events of Cold Magic. Like its forebear, this is a well-characterised novel which eschews the normal conventions both of the epic fantasy and steampunk genres (whilst borrowing from both).

Cold Steel (Spiritwalker Trilogy #3) The fantastic conclusion to the Spiritwalker trilogy! Trouble, treachery, and magic just won't stop plaguing Cat Barahal.

Killing Titan by Greg Bear, Paperback | Barnes & Noble®

Cold Steel. Trouble, treachery, and magic just won't stop plaguing Cat Barahal. The Master of the Wild Hunt has stolen her husband Andevai. The ruler of the Taino kingdom blames her for his mother's murder. The infamous General Camjiata insists she join his army to help defeat the cold mages who rule Europa. An enraged fire mage wants to kill her.

The fantastic conclusion to the Spiritwalker trilogy! Trouble, treachery, and magic just won't stop plaguing Cat Barahal. The Master of the Wild Hunt has stolen her husband Andevai. The ruler of the Taino kingdom blames her for his mother's murder. The infamous General Camjiata insists she join his army to help defeat the cold mages who rule Europa. An enraged fire mage wants to kill her. And Cat, her cousin Bee, and her half-brother Rory, aren't even back in Europa yet, where revolution is burning up the streets. Revolutions to plot. Enemies to crush. Handsome men to rescue. Cat and Bee have their work cut out for them.

The Wild Hunt is stirring - and the dragons are finally waking from their long sleep... Cat Barahal was the only survivor of the flood that took her parents. Raised by her extended family, she and her cousin, Bee, are unaware of the dangers that threaten them both. Though they are in beginning of the Industrial Age, magic - and the power of the Cold Mages - still hold sway. Now, betrayed by her family and forced to marry a powerful Cold Mage, Cat will be drawn into a labyrinth of politics. There she will learn the full ruthlessness of the rule of the Cold Mages. What do the Cold Mages want from her? And who will help Cat in her struggle against them?

Cat Barahal and her beloved cousin Bee think they have reached a safe place to shelter. But the Cold Mages who are conspiring to take them prisoner are closing in. The warlord who hopes to conquer all Europa is convinced their destiny is to aid him, whether they want to or not. And the man Cat was forced to marry is back, as vainly arrogant and annoyingly handsome as ever. Worst of all, as Hallows' Night approaches, powers hidden deep within the spirit world are rising. Cat must seek allies against these threats and figure out who to trust, for if she makes the wrong choices, she'll lose everything. Only one thing is certain. When Hallows' Night comes the Wild Hunt will ride- and it feeds on mortal blood.

The captivating, bestselling Spirit Gate swept readers into the turbulent world of the Hundred, where the peace and order of life under the protection of the immortal Guardians has given way to chaos and violence. In the face of a vast horde of marauders led by a rogue Guardian, the bravery and resourcefulness of a lone eagle-reeve and others who risk their lives for the common good have prevented death and destruction from overwhelming the Hundred. Now in Shadow Gate, the enthralling sequel, the source of corruption of the Guardians is still a mystery to the mortals who fight to withstand the forces that have turned against them. And when three new Guardians emerge, a struggle begins among the immortals, with nothing less at stake than the future of the land and its gods. With all the color, excitement, and narrative power that have made Kate Elliott an enormously popular writer, Shadow Gate weaves a powerful spell of action, romance, and magic that will entrance legions of readers. At the Publisher's request, this title is being sold without Digital Rights Management (DRM) applied.

How do you encompass all the worlds of the imagination? Within fantasy's scope lies every possible impossibility, from dragons to spirits, from magic to gods, and from the unliving to the undying. In Fearsome Journeys, master anthologist Jonathan Strahan sets out on a quest to find the very limits of the unlimited, collecting twelve brand new stories by some of the most popular and exciting names in epic fantasy from around the world. With original fiction from Scott Lynch, Saladin Ahmed, Trudi Canavan, K J Parker, Kate Elliott, Jeffrey Ford, Robert V S Redick, Ellen Klages, Glen Cook, Elizabeth Bear, Ellen Kushner, Ysabeau S. Wilce and Daniel Abraham, Fearsome Journeys explores the whole range of the fantastic.

Strong heroines and riveting storytelling are the hallmark of groundbreaking fantasy author Kate Elliott (Crown of Stars, Crossroads). Her long-awaited first collection showcases twenty years of her finest work. Captured here are many of Elliott's previously out-of-print tales, four previously unpublished essays, and a brand new Crossroads story, "On the Dying Winds of the Old Year and the Birthing Winds of the New." Elliott's bold adventuresses, complex quests, noble sacrifices, and hard-won victories shine in classic, compact legends. In "The Memory of Peace," a girl's powerful emotions rouse the magic of a city devastated by war. Meeting in "The Queen's Garden," two princesses unite to protect their kingdom from the blind ambition of their corrupted father. While "Riding the Shore of the River of Death" a chieftain's daughter finds an unlikely ally on her path to self-determination. Elliott's many readers, as well as fantasy fans in search of powerful stories featuring well-drawn female characters, will revel in this unique gathering of truly memorable tales.

An exiled captain returns to help the son of the king who died under his protection in this rich and multi-layered first book in an action-packed new series. Twenty two years have passed since Kellas, once Captain of the legendary Black Wolves, lost his King and with him his honor. With the King murdered and the Black Wolves disbanded, Kellas lives as an exile far from the palace he once guarded with his life. Until Marshal Dannarah, sister to the dead King, comes to him with a plea-rejoin the palace guard and save her nephew, King Jehosh, before he meets his father's fate. Combining the best of Shogun and Vikings, Black Wolves is an unmissable treat for epic fantasy lovers everywhere.

A New York Times bestseller! In this imaginative escape into enthralling new lands, World Fantasy Award finalist Kate Elliott's first bestselling young adult novel weaves an epic story of a girl struggling to do what she loves in a society suffocated by rules of class and privilege. Jessamy's life is a balance between acting like an upper-class Patron and dreaming of the freedom of the Commoners. But away from her family she can be whoever she wants when she sneaks out to train for The Fives, an intricate, multilevel athletic competition that offers a chance for glory to the kingdom's best contenders. Then Jes meets Kalliarikos, and an unlikely friendship between two Fives competitors--one of mixed race and the other a Patron boy--causes heads to turn. When Kal's powerful, scheming uncle tears Jes's family apart, she'll have to test her new friend's loyalty and risk the vengeance of a royal clan to save her mother and sisters from certain death.

A man on a mission must come to terms with his forgotten past in this gripping thriller from #1 New York Times bestselling author Dean Koontz. In Portland, he saved a young boy from a drunk driver. In Boston, he rescued a child from an underground explosion. In Houston, he disarmed a man who was trying to shoot his own wife. Reporter Holly Thorne was intrigued by this strange quiet savior named Jim Ironheart. She was even falling in love with him. But what power compelled an ordinary man to save twelve lives in three months? What visions haunted his dreams? And why did he whisper in his sleep: There is an Enemy. It is coming. It'll kill us all...?

Born to a powerful clan on the storm-wracked colony of Unruil, Lilyaka Hae Ransome had grown up willful, independent and strong, respecting only Heredes, the man who tutored her in history and the martial arts. And when alien bounty hunters kidnapped Heredes, she threw away her heritage and set out after him on an awesome odyssey through the unknown reaches of space.
